Dear Sir:

I think it is lovely for the County to be so interested in cutting expenses to reduce taxes.

If the school teachers are approached as to whether they will take a voluntary cut in salary, will all others drawing County money be expected to do the same?

In one of the County papers, I have seen a letter saying that the cost of Schools has increased four times. Perhaps the writer would offer as a remedy the return to the good old times when we had no high schools and teachers were paid three hundred dollars a year.

I would like to hear the objections to having the surplus high school enrollment from up the County sent to Galena and the lower County surplus sent to Rock Hall. Would this not relieve Chestertown?

Thank you so much for publishing this.

Respectfully yours,
Taxpayer.

KENT BOYS 4-H GLUB ACTIVITIES

PINEY NECK

The Piney Neck Boys 4-H Club met at the school Wednesday night, April 27th, with president Emory Edwards in the chair. Twenty-four members answered to the roll call and each told of his project. Most of the members reported considerable progress. At the conclusion of the business meeting a very helpful discussion was entered into by all and such questions as "the difference between ppurebred and grade animals—how they have been kept pure, etc., were discussed with Assistant County Agent.

MILLINGTON

The Millington Boys' 4-H Club met at the home o Miss Thelma Haupt on Thursday night, April 28th. After the business meeting a demonstration on the selection of seed corn was given and some very important facts were brought out.

HANDY ANDY

The Handy Andy 4-H Calf Club held its regular meeting at the home of the President Mike Freeman, Friday night, April 29th. Delegates were elected to attend the Five County 4-H Club Conferne at Easton this Saturday. Several members are making plans to raise purebred calves this year and are looking forward to our county show in August.

SWAN CREEK

The Swan Creek Boys' 4-H Club met Saturday afternoon at the home of Horace and Thomas Willson. In the absence of the President, Horace Willson vice president, took charge of the meeting. Talks were made by Mr. M. P. Edwards, local leader, and Assistant County Agent. Those present looked at Horace's fine calf and then enjoyed a game of ball.

4-H PROGRESSIVE CLUB

The Kent 4-H Progressive Poultry Club met at the home of Walter Moffett, Jr., Monday night, May 2nd. President Bayard Sutton presided and had a fine program planned for the meeting. Fifteen members were present and all reported progress in their poultry work. Howard Moffett, one of the charter members of the club was present. A discussion of methods of the brooding and feeding of chicks for market and layers was very interesting and helpful.

STILL POND

The Still Pond Boys 4-H Club held its last meeting at the school yard Monday, May 2nd, at 3.45 p. m. The election of officers for the year was held at this meeting and the following were elected: President, Edward Hepbron; Vice Prsident, Weldon Gosman; Secretary, Joe Harper; Treasurer, Harry Hendrickson. Most of the members have started their project and should accomplish some real worthwhile goals.

4-H DAISY CLUB

The Kent 4-H Daisy Calf Club met at the home of Lewis Dill, near Worton, Tuesday night, May 3rd. President Davidson Coleman presided and James Biggers acted as temporary secretary in the absence of secretary Frederick Cornelius. One new member, Walter Parsons, was present and is raising a Holstein calf. The new program of work was read and the members urged to try to reach the goals by local leader Walter T. Morris and the Assistant County Agent.

AGRICULTURAL NOTES

BY J. D. McVEAN

PERIOD FOR CROP LOANS INCREASED

The Kent County Crop Production Loan Committee, composed of L. A. Sutton, Chairman, E. Thomas Massey, S. Scot Beck, F. G. Usilton, and J. D. McVean has been notified that the loaning period has been increased by two weeks Any Kent farmers who desire to make loans from the Government may file applications up to and including May 14th.

To date nineteen inquiries have been received and 11 have made applications. The committee stands ready to serve any who ned th loans and comply with the regulations. Loans for the production of food and feed crops have been most hlpful in the past.

Liberal Use of Fertilizer for Tomatoes Urged

The outlook for tomatoes is not bright. Doubtless the acreage planted in Kent will be materially reduced. The hope for profit can come only from high yield of good quality tomatoes. Fertilizer plays an important part in both of these factors. The suggestion then is to do well the work on fewer acres and use plenty of fertilizer as an insurance for quality and yield. Only fertile, well drained soil should be used this season. Early set, healthy, stocky disease free plants should be used. Marglobe, a wilt resistant variety is a very popular variety. Greater Baltimore is also an approved variety.
