With but two games left in the first half of the Chesapeake Bay League sries which ends July 4th, Rock Hall has this series clinched. This downthe county team as gone through the season so far without a single defeat, and while some of the games were won by a one run margin, there is no question as to why they stand at the top of the ladder. The mound work and hitting of Bill Loller, backed up by the strong hitting and fielding of his teammates has proven this nine to be outstanding in the league series.

In the game with Chestertown at Rock Hall last Saturday, Loller allowed but two hits, struck out ten men and got a three base hit, his team winnin 16 to 0. Starting the game with three runs in the first inning the outcome was never in question.

The country ady was not used to rai trave and peestered the conductor a good deal. Finally she asked. "Are you sure the train will stop if you pull that rope?"

"Oh, yes, ma'am."

Well, how does it work?"

"You see, the other end is around the engineer's neck."
