DEMOCRATIC TICKET

For President:
FRANKLIN D. ROOSEVELT
Governor of New York

For Vice-President:
JOHN N. GARNER
of Texas

For United States Senator
MILLARD E. TYDINGS
of Havre de Grace

For Congresman, First Congressional District
T. ALAN GOLDSBOROUGH
of Denton, Md.

ANOTHER OF KENT Countie's "grand old men," and one of its best and most highly esteemed citizens, has passed from us in the person of Mr. Robert G. Nicholson. Possessed of a kind and generous heart he leaves many friends who regret his demise.

FROM ALL PARTS of Kent County comes reports that the Chestertown High School enlargement bond issue will be defeated next Tuesday. We have published contributed articles explaining the present condition at this school and communications pointing out the inability of the tax-payers to assume this additinal burden. It is very unfortunate that the bond issue is before the public at this time. On the one hand educational authorities claim that the centrialization plan is more economical and more efficient while on the other hand local citizens are protesting additional taxes. Whatever the outcome of the bond issue may be, something should be done to remedy the present condition at the Chestertown High School.

ALL REPORTS REACHING this office indicate to sweeping majority in this congressional district for Hon. T. Alan Goldsborough over Mr. Harry T. Phoebus, his opponent. A recent letter from Caroline County states that some prominent Republicans in that county have expressed themselves as saying that "Mr. Goldsborough is probably the best representative that this district has ever had in Congress and that his value as such is increasing with each term he serves." What better indorsement could any candidate ask. We have repeatedly expressed virtually the same opinion, and we believe his defeat, which we think impossible, would be a calamity to this congressional district. Don't be decived by the Republican "ballyhoo" that has invaded every county on the Eastern Shore.

THIS WILL BE the last issue of this paper before the National Election which takes place next Tuesday, November 8, 1932, and from indications it looks like a Democratic landslide. People generally believe there has been gross mismanagment at Washington of National affairs and seem determined to have a change from Republican to Democratic management. Many blunders and unnecessary enormous expeditures have been passed to the overburdened taxpayers to pay. How they are going to do it out of 40 cent wheat and 20 cent corn is more than we can understand. We strongly urge every Democrat to go to the polls on Tuesday next and mark their tickets in the Democratic block, because if we are to expect any relief from present national enditions it must come from a Democratic source. Three (X) on your ballot will vote for every Democrat—Goldsborough, for Congress; Tydings, for the United States Senate; and Roosevelt and Garner for President and Vice President If you want to vote for or against the Constitutional Amendment that will require anther (X) mark. Democrats do your duty by voting the entire Democratic ticket.

(COMMUNICATED)

VOTERS OF KENT COUNTY

Vote for no measure which will increase our present excessive tax rate. Especially do not vote to enlarge the school in Chestertown while the schools of Betterton and in other places remain closed.

Children and parents alike prefer schools near their homes where the children can be taken by their parents rather than wait along the roadside in all kinds of weather and then be crowded into busses and taken to far-off towns.

The present system is expensive and very uncomfortable for little children. Something should be done to prevent the closing of our country schools.

AN INTERESTED VOTER.
