AUTO INSPECTION COMPULSARY

NOVEMBER 15TH SET AS DEAD-LINE

After November 15th when the SAVE-A-LIFE CAMPAIGN ends, and automobile or truck on the streets or highways without a sticker will be violating the law just as much as if it were without license tags, according to a statement from E. Austin Baughman, Commissioner of Motor Vehicles. Autos and trucks which are not inspected by that date will be barred from using the highways until an inspection has been properly made.

In making the above announcement, Colonel Baughman explained that it has been called to his attention that some motorists are taking the whole SAVE-A-LIFE CAMPAIGN none too seriously and that he wants to make it distinctly understood to all, that inspection is compulsory by state law and it is his job to see that it is carried out.

"I can only repeat that autos and trucks which are not inspected by November 15th will not be permitted on the highways and streets of the State of Maryland."

The inspection includes testing of brakes, lights, horn, steering mechanism, rear view mirror, muffler, windshield wiper, faulty, cracked or discolored glass, position of license tags, and operator's license. Autos which pass a satisfactory inspection are issued a yellow sticker which is pasted in the lower right corner of the windshield.

SUNDAY AFTERNOON MUSICALE

PROGRAM BY FACULTY MEMBERS

The first of the 1933-1934 series of Sunday afternoon musical programs at Washington College will be presented in William Smith Hall Sunday afternoon, October 29, at three o'clock. The program will be given by three members of the Washington College faculty, Miss Louise B. Russell, pianist, instructor in musical appreciation, Mr. Raymond R. Moffett, baritone, instructor in choral music and director of the college glee clubs, and Mr. Fredrick G. Livingood, violinist, director of the college orchestra.

Other programs in the series will include concerts by the college orchestra, the glee clubs, and by local organizations. It is the hope of the sponsers of these programs to give a program each month during the college year. The public is cordially invited to all of the Sunday musicales.

The program for Sunday afternoon follows:

Sunday, October 29, 1933, William Smith Hall, 3.00 p. m.

Raymond R. Moffett, Baritone.
Louise B. Russell, Pianist.
Frederick G. Livingood, Violinist.

1. "Cavatine" Bohm. "Gavotte" Gossee. Frederick G. Livingood.
2. "Israfel," Poe-King. "It is enough" (from "Elijah") Mendelssohn. Raymond R. Moffett.
3. "Polonaise," Paderewski. "Dance," Number Seven, Brahms. "Moment Musicale," in F. Minor, Schubert. Louise B. Russell.
4. "Der Wanderer," Schubert, "O du mein holder Abenstern," Wagner. Raymond R. Moffett.
5. "5e Air Varie," Dancla. "Kuiawiak," Wieniawski. Frederick G. Livingood.
6. "Lord I Want to Be," Spiritual. "Wepin Mary," Spiritual. Raymond R. Moffett.

Accompanists:
Louise B. Russell,
Mrs. F. G. Livingood.

College Assembly, Vocational Talk

The next of the series of Washington College assembly vocational talks will be given at the regular eleven o'clock Thursday morning assembly, November 3rd, when Mr. Waldo Newcomer of Newcomer and Company, of Baltimore, will address the faculty and student body on the subject of, "Banking as a Vocation." Mr. Newcomer, who is the father of Mrs. Morris K. Barroll, is no stranger to Chestertown and has previously addressed Washington Colelge assemblies. The public is cordially invited.

'When people tell an editor they want him to print the truth they mean the truth about the other fellow. The principal drawback to printing the truth is invariably when it is done somebody's toes get stepped on.

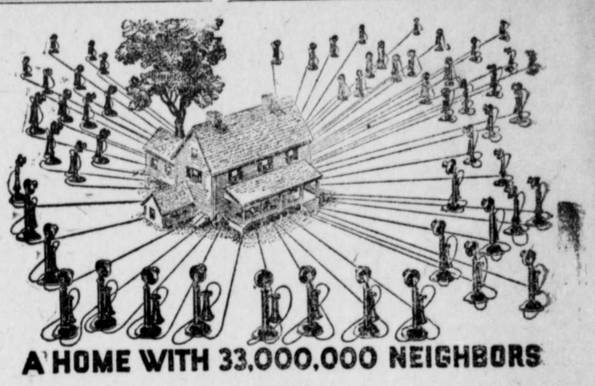
"Many men seek fortune in order to be independent; they should rather seek character, the only true source of independence."

"Forteen million farmrs raise the basic commodities covered by the new law."



A HOME WITH 33,000,000 NEIGHBORS

The farm home with a telephone has more neighbors than the city home *without* one.

The home without a telephone is, in a sense, cut off. It is without proper protection from fire or marauders—out of reach of its neighbors—lacking certain of the social advantages that all families deserve.

Call our Business Office and get the low rates for residence service.

Build with Home Labor

PORTLAND CEMENT
Guardian of a Nation's Health

A Sewage Disposal Plant Will Provide Jobs for Home Labor ...Trade for Home Stores...

Build It Now!

The construction of a Sewage Disposal Plant will bring immediate work and wages to men now on doles. The money will circulate at home, to home labor and to home merchants. The burden will be lifted from the taxpayer.

The Federal Government stands ready to help your city build a Sewage Disposal Plant—*now!*

A Sewage Disposal Plant will bring greater health to your city—the construction payroll will bring greater happiness and contentment to your workers' homes.

Now is the time, with Federal aid, to clean up our streams, to make this city healthier—with a sewage disposal plant—a project that will give maximum employment to home labor.

Less than a generation ago, the spectre of typhoid hovered darkly above every community. Sanitation was a matter of every city for itself, and let the devil take the fellow downstream. Rivers ran foul with filth as growing cities added daily to the sewage poured into our streams.

Then came the sewage disposal plant—to transform, through the miracle of bio-chemistry, foul sewage into harmless waste. Cement is the basic ingredient in the CONCRETE structures which form the keystone of sewage treatment.
