Keep Your Home Free of Filthy Disease-Breeding Flies

You need not be troubled this summer with flies or mosquitoes—you need not face the danger of the disease these nasty vermin carry—you need not have the annoyance they cause, no need to keep everlastingly and ineffectually swatting, swatting, swatting.

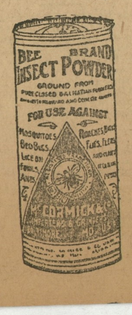
Bee Brand Insect Powder

10c, 25c and 50c

is the natural enemy of flies and all other vermin, though it is absolutely harmless to human beings and their pets.

It is easy to use—you need only close all doors and windows, fan it into the air and the flies (or other flying insects) die in just a few minutes.

Bee Brand Insect Powder is invaluable in many other ways. Sprinkle it around the stoves, under sinks, in cupboards, cracks and dark corners and death awaits all crawling insects that approach. It is sure death to roaches, ants, water bugs, flies, fleas, mosquitoes, plant lice, chicken lice, moths, etc. Used as a moth preventive, it is ideal and leaves no bad odors to be "aired out." Put it on the household pets and see the fleas fly.



Running a Car Without a License.—On last Monday morning, Mr. Robert S. Fadeley arrested four colored men in an automobile at the Havre de Grace entrance of the bridge, for running a car without a license tag.

They were taken before Justice Bauer for a hearing, when it was learned that the men had hired the auto from Mr. Smith, at Chestertown, to go to Still Pond, the Sunday before, but came on through to Baltimore, and escaped all observation until they returned to this city again on their way home.

Mr. Smith was telephoned to and he came over and attended the trial.

Justice Bauer fined them for operating the car without a tag or chauffer's license, amounting to $17.50, which they paid, and all returned home the same evening.—Havre de Grace Rebublican.

Change in Law.—The last legislature made considerable changes in the laws respecting the descent of real estate making all realty descend to the heirs in the same manner that personalty is distributed. The new law also changes very materially the right of the widow or surviving husband in the real estate of the deceased husband or wife. Under the old law the widow or surviving husband took a dower interest in the real estate of the deceased, whereas, under the law recently passed, the widow or surviving husband takes absolutely in fee one-third of the real estate left by the deceased husband or wife. Either surviving husband or widow may elect, however, to accept the dower interest but to do so must file with the Orphans' Court a written election to do so within six months after the death of the spouse in whose estate they have a dower interest.

Base Ball Notes.—Washington College was defeated by Mt. St. Josephs at Irvington last Friday by score of 1 to 0.

The second W. C. team went to St. Michaels Saturday and won the game, the score being 22 to 2.

Washington College played Maryland Agricultural College on Washington Field yesterday afternoon.

The Centreville High School came here Wednesday and won from the Chestertown School by the score of 5 to 4 in a 14 inning game. It was an exciting and well played match.

YES, our garden beds we rake and all manner pains we take, to have them slick and nice and neat, in fact, they simply can't be beat. We turn our backs and walk away and view them on the coming day—Horrors! those beds so span and spick are clawed and wollered—we raise a kick; our neighbor's chickens running loose and garden making's but little use, and those old hens our garden looting, may tempt us yet to do some shooting, and to alleviate our wrath, we'll make our dinner on chicken broth.

YOUNG WOMEN MAY AVOID PAIN

Need Only Trust to Lydia E. Pinkham's Vegetable Compound, says Mrs. Kurtzweg.

Buffalo, N.Y.—"My daughter, whose picture is herewith, was much troubled with pains in her back and sides every month and they would sometimes be so bad that it would seem like acute inflammation of some organ. She read your advertisement in the newspapers and tried Lydia E. Pinkham's Vegetable Compound. She praises it highly as she has been relieved of all these pains by its use. All mothers should know of this remedy, and all young girls who suffer should try it."—Mrs. MATILDA KURTZWEG, 529 High St., Buffalo, N. Y.

Young women who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

If you know of any young woman who is sick and needs helpful advice, ask her to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass. Only women will receive her letter, and it will be held in strictest confidence.
