There were only 112 rejections for teeth defects during June and the cumulative total for the cause now stands at 1,064.

COLLEGE DROPS GAME SCHEDULED AFTER MAY 9

Washington College will drop all games on the spring sports card after May 9th because of the advancement of the commencement date to May 25, according to an announcement from the athletic office today. In addition to this, the entire tennis schedule will be dropped.

This announcement follows one made by President Mead last week that Commencement would be on May 25. Athletics must end two weeks previous to this date because of June Week activities and exam week.
