MILLINGTON HIGH SCHOOL

Here we are from Millington High
Grouped in our activities, many and wide—
Look us all over from side to side
Because the seniors are about to say good-bye.

GIRLS ATHLETICS

We are the girls of M. H. S.
Who keep our honor bright
Volley ball, soft ball, field ball, yes
We're always ready to fight
We won our letters and numerals, too
In this spring of '42

Left to right:—First row—Margaret Lockwood, Louise Wyatt, Eleanor Skinner, Betty Foraker, Jane Rasin, Margaret Semans. Second row—Sara Hollett, Gladys Stafford, Mary Maule, Erma Bramble. Third row—Jeannette Wallace, Jeanne Masten, Helen Burris, Betty Robbins, Lois Messick. Fourth row—Betty Conner, Catherine Walters, Jean Walmsley.

BOYS ATHLETICS

In soccer ball and ping pong too,
Our boys know what to do
But when soft ball comes along
They came out like a new dawn.

Left to right:—First Row— George Hollett, Leonard Lockwood, Clarence Blair, John Robbins, Paul Dixon, Pratt Vansaot. Second Row—Harry Buckingham, Pat Higman, Grover Robbins, Billy Starkey.

MYSTERY MANSION

Old folks and young folks came to see
Our senior play full of glee
The ghosts and gobblins were running around
Frightening the characters dressed in long gowns
When it came time to say good-night
The audience was still laughing with delight

Left to right—Jeanne Masten, Betty Robbins, Margaret Semans, Mary Maule, Margaret Lockwood, Louise Wyatt, Helen Burris.

HOME ECONOMICS

The girls in Home Ec. have been busy
As busy as can be
We've helped the Red Cross
By knitting and sewing
And have made our aprons
As you can see
We've also helped at community suppers
By serving a meal as well as any other

Left to right:—First Row—Betty Conner, Jane Rasin, Margaret Semans, Betty Foraker, Sara Hollett. Second Row—Erma Bramble, Helen Burris, Jeanne Masten, Betty Robbins, Gladys Stafford.

PING PONG

Ping Pong is an indoor sport
That is played by young and old
But in the spring on the volley ball court
This game is left to the cold.

When the girls are not out to play
And the boys are out on the green
The ping pong table is used as a rendez-vous
So the lady killers can talk of their dreams.

Left to right:—George Hollett, Helen Burris, Pratt Vansant, Betty Robbins, Harry Buckingham.

SENIOR CLASS

We are the seniors of M. H. S.
Our graduation is growing near
Soon we'll say good-bye to friends so dear
We have played and we've worked
Never a moment did we skirk,
We miss you all so very much
When with you we are "out of touch"—

Left to right:—First Row—Jeanne Masten, Betty Robbins. Second Row—Pratt Vansant, Harry Buckingham, George Hollett, Clarence Blair.

So now we'll say good-bye to all
And hope you enjoyed our little "eall"

Iris Transplanting

Iris may be transplanted as early as August or on into September. It is good policy to set out a few new ones each season so as always to have some prime. If the bed is infected with soft rot of the roots, it is a good plan to disinfect the roots after removal of diseased parts, by washing them in a 1 to 1,000 corrosive - sublimate solution before transplanting to new soil. Corrosive sublimate, being corrosive to metal, is handled in wooden or crockery containers and, being a deadly poison, is handled with great care.

Not Enough

Apparently the large gill surfaces of a tarpon do not meet his oxygen requirements. He frequently rises to gulp air and stores it in a special tissue of his swim-bladder.
