THE STORE WITH A SMILE

No, the store itself does not smile, but everybody in it does.

We have here a Store Family of nearly 1400 contented, happy people. Contented, because they are receiving a fair compensation for their service — a compensation which they themselves regulate in proportion to their own effort and efficiency.

Happy, because they are fairly treated, and because their only concern is to see that every customer is given courteous, honest, helpful service.

It is a store which you will like to visit — not the cold, awe-inspiring business machine which many department stores are, but a human store — a store with a personality—an organization of nearly 1400 souls with but the single purpose of serving you well—and smilingly.

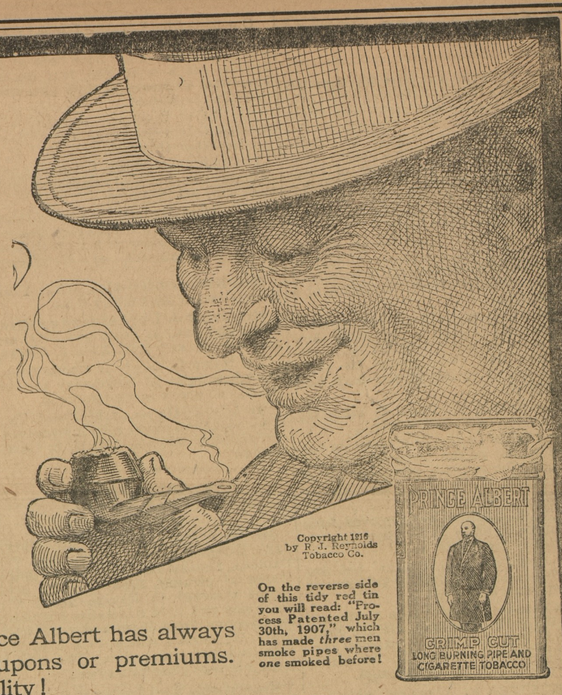
Such tobacco enjoyment

as you never thought could be is *yours to command* quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that *cuts out* bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!



On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907," which has made *three* men smoke pipes where *one* smoked before!

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. *You never tasted the like of it!* And that isn't strange, either.

Men who *think* they can't smoke a pipe or roll a cigarette *can smoke* and *will smoke* if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!

Buy Prince Albert everywhere tobacco is sold in toppy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and—that corking fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such clever trim—always!

Walking or Talking

When the summer sun is hot, which do you prefer—walking or talking? If you choose the walking way you must take with it discomfort, delay and uncertainty.

You can, if you will, take the easier way, the talking way, and do your business by telephone. By doing so you save your time and that of others and accomplish more.
