ORGANIZE TO FIGHT RURAL FIRES IN COUNTY

A meeting will be held at the Kent County Agent's office next Wednesday evening to start a program to fight rural fires during an emergency.

Realizing the increased danger of fire during the war emergency, steps are being taken to provide better protection to the rural areas than has ever existed before. The Extension Service, through the County Agent, is cooperating with the Council of Defense Chairman Col. I. Price Ewing, the Forest Service, and the State Insurance Commissioner in a program which includes trained volunteer fire watchers, auxiliary firemen and forest wardens in all communities ,together with fire fighting equipment for dealing with farm and forest fires as needed and as can be made available.

Messrs. McVean and Ewing will be in charge of the meeting Wednesday evening, to which all interested agencies are invited. The meeting will be addressed by A. V. Krewatch of the University of Md. Agricultural Engineering Staff. The plan calls for coordination of effort and an educational drive to center attention on prevention of fire through removal of hazards in the rural sections. This is a strong part in fire control.

The organizations' representatives will discuss the well organized state wide plan and adopt such portions as meet the local need. Then a united effort will be made to carry out the steps mutually agreed upon at the meeting and at the later meetings of working committees.

A LETTER

Mr. Wm. Belt Townshend
Chairman War Price and Rationing Board,
Chestertown, Maryland,

My Dear Belt:

As I find that it is absolutely impossible for me to devote sufficient time to my duties as a member of the Kent County War Price and Rationing Board, I have, after considerable deliberation, and with extreme regrets, decided to tender you my resignation.

I am of the opinion that, at least, some of the members of the Board should be retired citizens who can devote a considerable portion of their spare time to this work, which, undoubtedly, has to be done and which is so necessary to the war effort.

I will appreciate your relieving me of my duties at as early a date as is convenient to you and Dr. Mead.

I wish to assure that I greatly enjoyed working with you and Dr. Mead on the board and it is, indeed, with extreme regrets that I am tendering to you my resignation.

Very truly yours,
Richard Carvel.

To The Democrat Voters Of Kent County

A few weeks ago a comparatively FEW members of the Democratic Party of Kent County got together and named what they choose to call a "Compromise" or "Harmony" ticket for the Democrat Primaries on September 8th.

The wishes or advice of the great majority of our party were absolutely ignored in the naming of this ticket supposed to represent the entire Democratic party.

In opposition to this mis-called "Harmony" ticket a new faction of the Democrat party was formed at a meeting open to ALL Democrats.

We submit for your approval the PEOPLES DEMOCRAT TICKET and solicit your vote and support for each and every candidate.
