THE AWARE SHOPPER
By Barbara Sullivan
A&P Director of Consumer Affairs

The Aware List
At A&P, we have an Early Warning System against price increases: The Aware List. Every week we voluntarily post a list of price increases (such as those received from manufacturers) a full seven days before we actually change our price. You'll also find "Be Aware" shelf tags on many frequently purchased items with the day of the price increase right on the tag. The Aware List doesn't include perishables like meat, eggs or fresh fruit and vegetables; items where markets fluctuate daily; items controlled by law; or advertised specials.
