"Peace on earth, good will to men" seems a queer sentiment to be singing at this time. Yet now is the proper time for Christians to be singing for anyone can sing when the skies are clear of war clouds. It is only those who have the faith of our Leader who can see the peace beyond the war, the nations working together as brothers to rid this earth of its many evils and bringing to pass the Kingdom of God which Our Lord talked about while on earth. Anyone can see the mud but only men of faith can see the stars through a storm. Give a gift of Faith in the Babe of Bethlehem to a world full of hatred, fear and despair.

O Word that broke the stillness first,

And all her discord peace.
Till selfish passion, strife and wrong,
Thy summons shall have heard,
And thy creation be complete,
O Thou Eternal Word.

If storage space is available buy frequently used varities of canned and package goods of known brands in quantity when sales are noted. Though there is usually little price variation in cereals, canned goods and laundry supplies most stores offer sales of them as special attractions. Buy large rather than small cans, if the surplus can be kept in the refrigerator and used within a day or two since cans are priced proportionately higher.

Your Coal Supply

The "Buy Coal Now" appeal by the Government last Summer exceeded all plans.
Now that heating season is here, it is the desire of the Government and the Coal Trade that the supply be distributed so all will have Winter Requirements.
If you have no Coal, place your order and allow as much time as possible for delivery, and accept delivery of the available sizes, where there is a temporary shortage of your favorite size.
Consumers who have supplies should co-operate by withholding orders until there is Coal in Every Bin. This is the American Way.
