Local NAACP President honored on 75th birthday

At a monthly board meeting of the Baltimore City Branch of the NAACP, Mrs. Enolia P. McMillan, president, was honored on the occasion of her 75th birthday.

Members of the board and staff members surprised and delighted the honoree with gifts.

The Maryland Human Relations Commission and the Baltimore Community Relations Commission, both anti discrimination agencies, sent tokens of their esteem and appreciation and congratulated her for her dedication and invaluable contributions to the human struggle for civil rights.

Enolia McMillan

In looking back over the years with the NAACP, Mrs. McMillan stated that "We have experienced a series of challenging and frustrating struggles that have rewarded us with very positive gains."

She feels, however, that the "job has not been completed and although it may be even more difficult, we can still make progress."

Following the event which was held on Saturday, Oct. 20 at St. John's AME, the board proceeded with the business meeting.

HOW TO RING AROUND THE WORLD

DIAL DIRECT*

If your area has International Dialing, you have the whole world at your fingertips, and you can reach anywhere-in no time! Here's how it works to London, for instance. Dial:

INTERNATIONAL ACCESS CODE — COUNTRY CODE — CITY CODE

011 + 44 + 1 + LOCAL NUMBER

Take advantage of your International Dialing Service. It not only saves you time, but money. Like, 90¢ on a 3-minute call to London-that's more than 16%. And there are comparable savings around the world.

ALMOST DIRECT

Until you get International Dialing, here's the way to speed up your overseas calls. Dial 0, and be ready to tell the Operator the country, city and local number you want. Specify Station or Person. The faster you give your information, the faster you reach your party-and that helps free the Operator for the next call, and the next time you want to call. And on Station calls not requiring special operator assistance, you can get the same low rates as International Dialing.

P.S. Everyone can dial direct to Canada and the Caribbean, to Alaska and Hawaii and to parts of Mexico-just as you dial direct to cities inside the continental U.S.

Announcing a new line or a new heir, you can tell the world faster if you keep a record of the codes you use-and use them.

*You can dial direct if your phone number starts with any of these three digits:

243	254	332	366	426	467	563	578	664
235	276	338	367	444	542	624	659	854
