A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. Margaret Grassman, 759 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. George A. Dunbar, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. Kissling, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

Auto Notes.—A stranger on a motorcycle ran into a Ford car near Chestertown broke his lamp, injured his cycle and cut his knee badly. He was on his way to Chincoteague, Va., and laid over here for the night.

Wm. W. Beck, Esq., has joined the Ford ranks.

Dr. H. Benge Simmons has received a new eight cylinder King touring car, seven passenger After a ride therein the editor is prepared to say it is a "dandy." Mr. J. H. Sides drove it around.

While going along at a lively clip in his Ford touring car Tuesday night, Mr. Stockton Startt had a somewhat odd thing occur to his auto. One of the rear wheels suddenly came off and the car ran along some distance on three wheels before Mr. Startt stopped it. Practically no damage was done.

An auto ran up the embankment into the corn field of Mr. Biddle Hossinger, between Chestertown and Kennedyville Sunday. The driver lost control of the machine for the instant, but there was no damage done to the car.

Mr. Charles W. Kibler's Saxon runabout was in a collison with a car driven by Mr. Paul C. Massey and brother on Thursday. Mr. Kibler's car was slightly damaged, while the axle of Mr. Massey's car was bent.

Master Richard Twilley has made a crude toy automobile. Richard say he has made the "machine" to compete with the Ford car.

WILSON ACCEPTS RENOMINATION

Crowd of 20,000 Hears President Renew Pledges of Service.

President Wilson formally accepted his renomination at Long Branch, N. J., last Saturday afternoon with an address recounting the legislative record of the Democratic party, a vigorous defense of his Mexican policy, his dealings with the European belligerents and an outline of his view of America's obligation for the future.

The day was celebrated with enthusiasm by more than 20,000 persons, including Democratic leaders from all parts of the country.

The following are some striking points in the President's address:

"I shall seek, as I have always sought, to justify the extraordinary confidence thus reposed in me by striving to purge my heart and purpose of every personal and every misleading party nation as a whole."

"The Republican party was put out of power because of failure—practical failure and moral failure."

"It (the Republican party) had permitted the country financial crisis to another under the operation of a national bankruptcy law of its own framing, which made stringency and panic certain."

"It has been oblivious or indifferent to the fact that the farmers, upon whom the country depends for its food and in the last analysis for its property, were without standing in the matter of commercial credit."

"Little intelligent attention was paid to the army, and not enough to the navy."

"The other republics of America distrusted us because they found that we thought first of the profits of American investors and only as an afterthought of impartial justice and helpful friendship"

"The laws against trusts have been clarified by definition, with a view to making it plain that they were not directed against big business, but only against unfair business."

At a recent meeting of the publishers of newspapers in Somerset, Worcester, Dorchester, and Wicomic counties, held in Salisbury, after a general discussion it was decided that there was but one course to pursue—advance subscription rates to $1 25 and advertising rates at least 25% and to insist upon payment of all subscriptions in advance. the same as city papers demand. The paper situation is a serious one, with paper from 100 to 200% higher than a year ago, this action of a number of Eastern Shore publishers is only what all newspapers publishers everywhere will have to follow soon or go into bankruptcy.
