Theodore H. Ernst, Pastor

No Sunday School this Sunday.

Annual Mission Service at 3 p. m. The Rev. George Horn, Baltimore preaching. You are cordially invited to attend.

Have the Christians of America a mission obligation? The League of Nations classifies the United States as an "un-Christian" country. We cannot declare their reasons for doing so as invalid. Sixty per cent of our nation tells the census taker, "We belong to no church." Therefore we have an urgent obbligation to bring Jesus the Savior of Mankind, to our fellow-citizens who know Him not, or received Him not. Besides trying to bring the saving Gospel to the unchurched of America our Mission Program includes great efforts of bringing peace to the mind and surcease to the bodies of many "unfortunates" in the institutions of mercy. We also present our gifts for the spiritual welfare of a 100,000 of our men in the Armed Forces. Work in the Foreign Field is not being neglected. While many of our female workers have returned to the States, due to war conditions, our male missionaries have remained with their "flocks". They are suffering privations with the Chinese Christians who had to flee into unoccupied territory. They remain with the Christians of India who were in turmoil due to internal strife and Japanese hoards the doors of Burma. In Africa the peaceful natives were and are comforted with the message of eternal peace, to counteract their fears of a war they do not understand. Have we a mission obligation? Should we not be present for encouragement at a special Mission Service? Come and help.
