MONEY IS PLENTIFUL

But It is Hard To Keep Without A Bank Account

¶ No matter how plentiful money may be, you cannot keep it if you fritter it away.

¶ And to carry money around in your pocket affords an ideal opportunity for frittering.

¶ Any man may spend a dollar foolishly from his pocket when he would hesitate to draw a check.

¶ Money is plentiful in this country—more so than in any other country of the globe.

¶ Make it plentiful for yourself by depositing it in this bank instead of frittering it away.
