The Best Investment in the World

LEND YOUR MONEY TO THE GOVERNMENT AND HELP WIN THE WAR

Subscriptions do not call for cash at once, but at your convenience, any time during 1918 that your crops come in, or any time during 1918 it suits the investor.

The question is simply this: Suppose the Secretary of the Mr. W. G. cAdoo, should visit this county for ten days and call upon the citizenship to lend the U. S. Government their money. Mr. McAdoo would simply have to say to Mr. John Kent, "Will you lend the Government $1,000.00 (we need it) from your present savings or your earnings of 1918?"

The answer would be quick and patriotic, "Certainly, Mr. Secretary." Let us look at the matter in just this light.

Be ready when the time comes Let 1,000 patriotic men, women and children in Kent county back the Government in this sale and the Campaign will be over.

Meetings will be held May 30th—June 9th, all over the county. The county will be canvassed from one end to the other.

The Banks, Business Men, Farmers and Schools will give active support to this drive and will be selling agents for the Treasurer of the United States.

The people are simply asked to lend their money to the Government on the most fovorable terms.

Back the Government and make taxation unnecessary.

Papers next week will have more particulars and explain our plan of campaign fully.

Meetings scheduled so far:

Meeting To-Night at Galena

SENATOR WM. J. OGDEN, of Baltimore, will speak.

**In the window of the Rexall Drug Store on High street, there is displayed a double-page advertisement from a current issue of a great national weekly that brings the war on the sea directly home to this section, and to the store where the advertisement appears. The advertisement asks for 50,000 men, between 21 and 30, for service in the new merchant marine. The personal interest of Mr. A. L. Sterling, in common with other Rexall druggists, in this striking war announcement, is contained in the concluding words of the advertisement, which are: "This use of the stores and the expense of this advertisement are a contribution by the Rexall stores to the cause of Liberty."

MONEY IS PLENTIFUL

But It is Hard To Keep Without A Bank Account

¶ No matter how plentiful money may be, you cannot keep it if you fritter it away.

¶ And to carry money around in your pocket affords an ideal opportunity for frittering.

¶ Any man may spend a dollar foolishly from his pocket when he would hesitate to draw a check.

¶ Money is plentiful in this country—more so than in any other country of the globe.

¶ Make it plentiful for yourself by depositing it in this bank instead of frittering it away.
