"WAR MOTHERS OF AMERICA"

A meeting of a Committee on Recommendations was called by Mrs. Harry G. S kinner, Chairman of the Maryland Branch of "War Mothers of America," to make final arrangements for a permanent State organization, as a result of the preliminary meeting, held at Y. M. C. A. July 30. The State meeting is called for Tuesday, September 3rd, 1918, at 10.30 a. m., at Ford's Theatre.

It is requested that each person attending this meeting will present a card bearing her name and address, also the name, relationship organization of Soldier and Salior, as a matter of record and to faciliate seating. After the National Convention, at Evansville, Ind., September 18, 19 and 20, 1918, separate units will be formed throughout the State. Delegates to this Convention will be voluntary.

The object of the organization of "War Mothers of America," is to promote, increase, encourage and coordinate the War Work of Mothers, Wives, Daughters and Sisters of American Soldiers and Sailors, and to make more effective by united action, all War Work.

It is hoped that a large representation will come from every county in the State.

FOR RENT.

Chestertown and Tolchester

AUTOMOBILE SCHEDULE

We meet (when possible)—all regular boats to and from Tolchester with automobiles carrying passengers.

We leave the Voshell House, Chestertown direct for Tolchester. Will leave for Chestertown upon arrival of boats at Tolchester. Fare, with war tax included, 85c each way; 55c each way for children under 12 years when they occupy seats.

Will call for passengers when notified in time, BUT BE READY, DO NOT KEEP CARS WAITING. Engage seats whenever it is possible coming by Tolchester.

When boats cannot land at Tolchester will meet Chestertown passengers at Betterton. Call Phone 212-W.

AMERICAN TELEPHONE & TELEGRAPH CO. LOCAL LONG DISTANCE TELEPHONE BELL SYSTEM AND ASSOCIATED COMPANIES

Wires of War

War brought to Washington sudden demands for larger telephone facilities. The volume of business grew by leaps and bounds. Last year the long distance traffic at Washington increased over 125 per cent.

To meet these extraordinary conditions toll switchboards at Washington have been greatly increased in capacity, and many additions have been made to the toll and long distance lines radiating to all parts of the country.

ALL MILK SOLD TO BE PASTERIZED

Order Of Board In Effort To Stamp Out Typhoid Fever In The State

Dr. John S. Fulton, secretary of the State Board of Health, has announced that the Board will order that all milk in the state must be pasteurized and that all regulations now governing the sale and distribution of milk must be observed throughout the state. The object in view is to stamp out typhoid fever, which is contracted by use of impure milk.

All buildings occupied by cows must be properly ventilated and kept clean, shall be provided with feeding troughs and with covered water-tight receptacle outside the stable for reception o frefuse. Every cow must be cleaned every day, as well as properly fed and watered. Troughs on premises shall be filled with clean water. There must be tests for tuberculosis. Prompt notice must be given to proper authorities of presence of any contagious diseases, penalty not less than $10 and not more than $25.

Eevery person desiring to bottle or handle milk for sale shall make application to health physician for a permit to engage in the industry. Permits expire in five months. Inspection fees are authorized.

The health authorities in each county are authorized to prohibit the sale or use of any ice-cream or butter or other milk product which is made from milk or cream which is below the requirements for standard milk teurized, or any ice-cream, butter or pasteurized or standard cream pasother milk product which for any other reasons is unfit for human food, and no person shall sell, offer for sale, sell or deliver for consumption any ice-cream or butter or other milk product the sale or use which shall have been so prohibited by the Commissioned of Health.

Pasteurized milk shall be milk which has been uniformly heated to a temperature between 142 degrees Fahrenheit and 150 degrees Fahrenheit and maintained at that temperature for not less than 30 minutes, and cooled immediately to a temperature of 45 degrees Fahrenheit or less; provided, however, that nothing in this ordinance shall be construed to prevent the Commissioner of Health from permitting the heating of milk to temperatures higher than 150 degrees Fahrenheit, if, in the opinion of said Commissioner of Health, such higher temperatures are desirable.

Pasteurized milk or skimmed milk which is used for the manufacture of any milk products, or pasteurized cream shall be milk or cream which has been uniformly heated to a temperature of 142 degrees Fahrenheit, or higher, and maintained at that temperature for not less than 30 minutes. But the period of holding may be reduced one minute for each additional degree of uniform temperature of heating of such milk, or skimmed milk to be used for the manufacture of milk products or cream, with a minimum period of holding of five minutes.

There are numerous other regulations which apply to pasteurized milk and to the conduct of the dairy business in general with which dairymen in all counties will soon become acquainted.

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Get Rid of Those Undesirable Bedfellows

There is no reason in the world why you should be bothered by bedbugs. Destroy every last one of them by dusting BEE BRAND INSECT POWDER into all their hiding places. They can't live where it is used. Can't injure human beings or domestic animals.

Bee Brand Insect Powder

fan it into the air

Flies and mosquitoes die in a few minutes. Will kill ants, fleas, roaches, bed-bugs, lice, and bugs of nearly every kind. Directions on package. Look for the Bee Brand Trade Mark.
