INSTRUCTIONS TO VOTERS

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, and to the right thereof, in the blank space provided therefor, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by making likewise in the appropriate space a cross-mark (X) against the answer you desire to give.

If you wish to vote for some one whose name is not printed on the official ballot you can write the name of such person in the blank space on the ballot provided for that purpose and place the cross-mark opposite such name in the blank space provided therefor.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted, but in the counties of Anne Arundel, Calvert, Charles, Kent, Prince George's, St. Mary's, it is unlawful to take into the polling place any steneil, rules, measurer or any other mechanical device of any material or form as a means of aid, guide or assistance in marking your ballot. You must prepare and deposit your ballot without undue delay, Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard rail during the day.

In Baltimore City and all of the Counties of the State except Anne Arundel voting for more candidates than there are offices to fill only invalidates the vote for that particular group in which the mistake occurs, but in the counties of Anne Arundel and Worcester, the whole ballot will be rejected in such event.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his ballot must make affidavit to that effect if he desires assistance. The two polling clerks after such an affidavit has been made, can accompany him into the compartments and there mark his ballot as he instructs them, marking only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote; or place any distinguishing marks upon his ballot, of who shall make a false statement as to his inability to mark his ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has marked his ballot, shall be punished by a fine of not less than five ($5.00) dollars nor more than one hundred ($100.00) dollars, or by imprisonment in jail for a period of not exceeding sixty (60) days, or by both fine and imprisonment in the discretion of the Court.
