We Do Not Issue a Catalogue

of our stocks, for the very good reason that styles change so frequently that it is not practicable to do so.

¶ But, by addressing an inquiry to our Mail Shopping Service, you can get full and accurate descriptions and prices of any merchandise in our store.

¶ For instance, if you are considering the purchase of a new blouse (the approved term for a woman's waist), a postal or letter from you will be answered by us, giving the prices and styles of the blouses of the material you prefer. If there is some hard-to-get shade that you have in mind, it is safe to say that we have it among our stocks.

¶ Perhaps you are wondering of what fabrics the new frocks should be made? We will gladly send samples of the most favored materials, if you state whether you want silk or cotton fabrics.

¶ And so our shoppers by mail find it easy to secure satisfactory service by dealing with Baltimore's Best Store.

May we be of assistance to you in solving your shopping problems?

LOAN DRIVE TO START WITH RUSH

Theodore Roosevelt to Open Maryland's Campaign in Baltimore

ENORMOUS BAND TO PLAY

Observance Of The Day In The Counties Will Likewise Be On A Large Sc And Great Results Are ected.

The first day of the Fourth Liberty Loan campaign, September 28th, will be ushered in in Maryland like a great national holiday. In Baltimore and in the county seats factory whistles will be blown and bells will be rung at intervals from ten to twelve o'clock A. M. In Baltimore a fleet of airplanes between six and twelve in number will fly over the city in battle formation several times during the forenoon.

Ex-President Roosevelt is expected to arrive at Union Station about one o'clock and will proceed thence to a hotel for luncheon escorted by soldiers, sailors and marines. After luncheon he will hold an informal reception until he leaves for Oriole Park, where he will make a vigorous talk for the Loan. A monster band of five hundred or more pieces will entertain the crowds at the park before the speeches commence. No previous Loan, it is generaly admitted, has ever commenced under such propitious circumstances nor with such enthusiasm on the part of the army of workers who are preparing for the fray.

EXERCISES IN THE COUNTIES.

At many of the county seats patriotic meetings will be held in the afternoon of Saturday and there will be exercises of some sort in villages and towns throughout the State. The following day, Sunday, September 29th—Heroes Day—will be celebrated in the churches in city and country.

On Tuesday, September 17th, a luncheon was given by the Publicity Committee of the Fourth Liberty Loan committee to the editors of county newspapers and the county chairmen, at the Southern Hotel, Baltimore. About seventy county men attended. General Winslow Williams was in charge of the arrangements and there was informal speaking and an across-the-table discussion of methods of pushing the Loan which will be very helpful in making a successful campaign.

To Record Subscription.

The following letter has been sent to each county chairman by John P. Baer, chairman of the Committee on Accouning and Delivery.

"As heretofore, the Federal Reserve Bank of Richmond will send to each banking institution or bank in the State postal cards upon which subscriptions are to be reported both to the Federal Reserve Bank and to the Liberty Loan Committee for Maryland. In previous campaigns quite a number of the institutions have overlooked the importance of sending such reports to the State Committee; in the coming campaign publicity will be given each day to the subscriptions from the city and from each individual county and it is therefore necesary for each bank to send daily a report of its subscriptions as forwarded to the Federal Reserve Bank of Richmond. If the institution fails to do this it naturally follows that the county or city will not be given its proper rating in the public press or wherever the figures may be displayed. As chairman of your county I would ask that you take this matter up with each banking institution of your district and impress upon them the importance of forwarding these duplicate cards to the Liberty Loan Committee of Maryland."

There will be a general meeting of the county chairmen and district leaders of the Woman's National Liberty Loan Committee on Friday, September 20th, at 10.30 A. M., at Council of Defense Headquarters, Saratoga street and Park avenue, at which plans for the coming campaign will be discussed. Ex-Governor Phillips Lee Goldsborough will address the meeting at 12 o'clock.

Mammoth Band To Play.

The largest band ever assembled in the South will play at the great meeting, which, with former President Theodore Roosevelt as the principal speaker, will make Baltimore's observance of the opening of the Fourth Liberty Loan Campaign one of the most notable in the country.

It was recognized from the start that something unusual, something bigger than had ever before been attempted, in the way of music, would be necessary and in order to solve this particular problem members of the Musical Union of Baltimore were called upon for their assistance.

They responded at once and held a meeting at which they pledged their hearty co-operation with the committee in its plans. This meeting resulted in the decision to amalgamate all of the instrumental players of the city into a great body constituting a band of hitherto undreamed of proportions.

This monster massed band will number at least 500 men, all of them experienced professionals. They will be directed by Roscoe Packard, president of the Musical Union, and the program they will present at the Roosevelt meeting will compromise a number of the most popular war songs and patriotic airs.

The meeting will be open to the general public with no reservations except for guests of honor; and the committee is particularly anxious that the counties of the State be largely represented.

Education To Order

That is, education that will fit your requirements, training that will enable you to do just the work you want to do. Great and grave responsibilities are before us all. The government has urgent need for trained office workers. There is a crying demand in business for secretaries, stenographers, bookkeepers and clerks. To help meet this demand, the BBC is bending every energy to qualify men and women thoroughly and as quickly as possible for efficient service.
