With the Armed Forces

Kennard J. Burke

Mrs. Joseph E. Walters, Cross Street, has received from her son, Kennard J. Burke, A. M. M. 1-c, U. S. Navy, the Air Medal which he was recently awarded. With the medal was the following citation.

United States Pacific Fleet Commander Second Carrier Task Force, Pacific Fleet—In the name of the President of the United States, the Commander Second Carrier Task Force, United States Pacific Fleet, presents the Air Medal to Kennard Joseph Burke, Aviation Machinist mate, First Class, U. S. N. R., for services as set forth in the following citation:

"For distinguished himself by meritorious acts while participating in aerial flights as turret gunner in a carrier based torpedo bomber plane during the period of 10 October 1944 to 25 October 1944. He participated in numerous strikes against heavily defended Japanese bases and shiping in the vicinity of the Nasei Shoto, Formosa and Northern Philippine Islands. During these operations he distinguished himself by skillful use of his turret gun so that many enemy aircraft were turned away making it possible for his pilot to press home a vigorous attack. His coolness, skill and courage were at all times in keeping with the highest traditions of the United States Naval Service." J. S. McCain, Vice Admiral, U. S. Navy.

Mr. Porter Matthews, U. S. N., stationed at Bainbridge Naval Training Station, was a guest of his wife this week at the home of her parents, Mr. and Mrs. J. S. Kreeger.

John Dill, U. S. N., stationed at Camp Perry, Va., will visit his mother, Mrs. Dovey Dill here, this weekend.

Chester B. Starr, S-2-C, a patient in the Philadelphia Naval Hospital suffering from pleural pneumonia. He was visited by his parents, Mr. and Mrs. Russell Starr on Monday, who found he was improving slowly.

John Russell, U. S. N., returned to duty on Wednesday after a visit with his mother, Mrs. Naomi Russell for 5 days.

Dr. and Mrs. Norman S. Dudley of Church Hill, have received word through the American Red Cross that their son, Captain Norman S. Dudley, Jr., U. S. A., is prisoner of war in a German prison camp. Captain Dudley was recently reported by the War Department as missing in action against the enemy since Dec. 23.

James J. Hadaway, Jr., son of Postmaster and Mrs. James J. Hadaway, who enlisted in the Marine Corps in January, has reported for active duty at Parris Island, S. C.

Mr. and Mrs. W. A. McGregor have received word that their son, William, has been promoted to the rank of Captain. Capt. McGregor has been overseas for two years having been among the first Infantry troops, to land on Salerno, Italy. While in mountain combat that winter, he sustained a severe leg injury and was hospitalized for eight months in North Africa. Upon discharge from the hospital, he was put on limited service and joined the Office of Strategic Services in Italy. Capt. Mcgregor's wife resides in Silver Springs, Md., and is a frequent visitor to Chestertown.

Sergt. William Clarence Crew of Betterton who is with the armed forces in France, has written State Senator Clarence Newsome a letter relating some of his overseas experiences.

"I am in a rest camp at present," wrote Sergeant Crew, "but expect to move along at any time. I guess you saw in the papers where our unit was surrounded in Bastogne for ten days. We gave up hope of getting out alive, but we gave the enemy everything we had, and beat them back every time. We fought them from 7 o'clock on Christmas Eve until 6 A. M. on Christmas. I never closed my eyes all night. At 3o'clock our C-47 transports came over and dropped us badly needed supplies. We had only three rounds of 105 m.m left. I hope I never come that close again. Sergeant Crew inclosed $10 in a letter to his mother as a contribution to the Betterton Volunteer Fire Company for the purchase of its new fire truck.

With The Fourth Armored Division—Staff Sergeant Anthony Parker, 28, son of Mrs. Marie Parker, Box 88, Rock Hall, Maryland, medical aid man with the 25th Calvary Reconniassance Squadron, Mechanized, has been cited for heroic action in combat and awarded the Bronze Star by order of Major General Hugh J. Gaffey, commanding the Fourth Armored Division.

The citation reads in part: "On November 24, 1944, near Barendorff, France, "C" Troop and adjacent units were shelled intensely and effectively by enemy mortars and artillery. Staff Sergeant Parker administered the necessary medical aid not only to the wounded of the troop to which he was attached, but also to men from other units exposed to the shelling. With complete disregard for his own safety, he ran from man to man, successfully rendering aid. His boundless courage on this occasion saved the lives of many of his comrades."

Inducted May 13, 1941, the former machinist has served overseas more than a year with the Fourth Armored Division. He participated in the crack tank division's septacular drive across France and was with his unit when the Fourth Armored effected the historic relief of the besieged 101st Airborne Division at Bastogne, Belgium.

With The 9th Armored Division On The Western Front—For the first time in two years, Private First Class Carlton Passwater, a truck driver in 9th Armored Division Trains headquarters, has seen his brother, Cpl. Alfred Paswater attendant at an evacuation hospital on the Western Front.

Carlton learned of his brother's station and arranged a three hour visit. They are the sons of Mrs. Lulamay Paswater of Massey.

Some where in the Pacific (Delayed)—Marine Colonel William F. Brown of Chestertown, Maryland, has been awarded a Gold Star in lieu of a second Legion of Merit medal for exceptionally meritorious conduct and outstanding service during the seizure and occupation of Saipan and Tinian Islands.

Major General Harry Schmidt, commanding the Fifth Amphibious Corps, made the presentation of Marine Lieutenant General Holland M. Smith, commanding Fleet Marine Forces, Pacific.

Colonel Brown, whose wife lives at Potomac Drive, Alexandria, Va., is an assistant chief of staff in charge of supplies. He helped to plan and execute the distribution of supplies in the attack on the enemy-held islands in such a manner as to materially aid in the success of the assault and occupation.

Colonel Brown entered the service in 1917 after graduation from Washington College and served in China, Cuba, and Nicaragua.

Oliver Maslin, S 2-c is home visiting his mother, on a few days furlough. He is on a transport ship, having been in the S. Pacific.

Sgt. Lusby Elliott, in the 29th division has been wounded and returned to this country. He will visit his family here before returning to the hospital for treatment.

James C. Crouch S. 1-c is in the hospital aboard his ship U. S. S. Otus following injuries sustained in a fall. He is the son of Mrs. Norman Crouch of Chestertown.

T-5 Engineer James Lively, colored, returning from 36 months overseas in the South W. Pacific will arrive this week at Ft. Meade prior to coming to his home here.

Grapefruit Less Than **9c** Per Pound

Tempting flavor, full of juice. Always welcome at any time. Delight your family with their favorite fruit salad served in a grapefruit basket. No sugar needed.

Oranges 10-Lb. Bag **49c**

You know as everyone else knows that no day is complete without the tasty orange. At breakfast, lunch, dinner, and inbetween. The taste too good for words.

Cabbage 1-Lb. **5c**

Make your meatless dinner interesting with a delicious vegetable dish. Add one Libby Bouillon cube to each two cups of water when you stew cabbage and discover what a good meat substitute it is.

Onions 3-Lb. **19c**

Remember thick steaks with fried onions? We can't offer you steaks but we can advise some very palatable French-fried onions. They're different.

Rutabega Turnips 4-Lb. **19c**

No bitterness or woody texture. Just add seasoning and enjoy its rich, remarkable flavor. Or, try raw Rutabaga sticks. They're good!

Potatoes 5-Lb. **27c**

A good thing is hard to find, but you can always be sure of the best when serving Maine Potatoes. Serve them in any style or manner.

These Prices are effective March 16th and 17th.
