Velvet

THE SMOOTHEST SMOKING TOBACCO

TIME—given the right chance—puts character in a man's face, horse-sense under his hat, and mellow fren'liness into his tobacco.

Velvet Joe.

Time is a big factor in giving Velvet Tobacco its mildness and "character."

Velvet ages for two whole years in wooden hogsheads. During this long period the choice Burley leaves take on a kindly quality of coolness, a rich fragrance, a "taste" that appeals to pipe smokers—old and young.

Don't hurry, but just walk into the next store and lay down a dime and a nickel and say "VELVET"—the tobacco that isn't harsh but is friendly.
