IN MEMORIAM

HENDRIX—In sad but loving remembrance of my brother, Robert F. Hendrix, who died June 15, 1919.

Day by day we saw him fade,
And slowly sink away,
And yet in our hearts we often prayed
That he might with us stay.
He is gone, but was so young and fair,
He slumbers sweet and knows no care,
His heart was true, his life was young,
'Twas not our will, but God's be done.

By His Loving Sister,
KATIE.

CASH FOR FARM

I want to purchase for CASH a productive farm.

KENT NEWS
m31-3t Chestertown, Md.

Repeal of the daylight saving law was voted for by the House of Representatives on Thursday, there being 233 votes in favor of wiping it off the statute books to 122 in favor of retaining it. Within an hour from the time the House voted overwhelmingly in favor of its abolition, the Senate voted for repeal 56 to 6.

The Senate amendment, like the House bill, provides that daylight saving, inaugurated originally as a war measure, shall end next October.

Representatives of the city districts generally voted in favor of retaining the daylight savings act, while those representing rural districts voted for the repeal on the ground that the farmer now has to get up before daybreak to get his milk to the trains, which are operated on the new time. They argued in debate that the "hired man," who is now insisting on an 8-hour day, comes to work early by the new time and has to wait an hour for the sun to take the dew off the fields before he can start to work.

At the business meeting of the Alumni Association of the Chestertown High School held on Thursday evening the following officers were elected: President, Miss Frances Howard; vice-president, Daniel McKee; corresponding secretary, Milbourne Jones; recording secretary, Miss Pauline Hazel; treasurer, Miss Clara Usilton; after which refreshments were served and the following program rendered: Address, Charles F. Wheatley; solo, Miss Helen Rouse; address, Prof. Mark Creasy; instrumental duet, Miss Elizabeth Reed and Robert Pippin; address, Miss Jeanette Gooding; solo, Miss Helen Baxter; address, Hope Hudson; address, Milbourne Jones; singing trio, Miss Grace Bennett, Charles Armstrong and Clark Davis.

People tell us our store is different

Of course it's different.

Because it's a service store. It's not just a store where merchandise are sold.

It's a place where everything is done to make buying merchandise a real pleasure.

A big stock of good things. Courteous, intelligent clerks who understand their business thoroughly. Prompt deliveries.

A telephone that is always open to you.

A store that sells quality goods which it can recommend without the slightest fear or hesitation. To illustrate what we mean, just consider the question of baking powder. It's only a small part of our entire business but we consider it a most important feature.

Because baking powder plays such a vital part in the preparation of food in your home. If it isn't good it can ruin a great amount of good material. Therefore the baking powder we recommend must be good—so good that we won't have the slightest chance of displeasing a customer.

Ryzon is such a baking powder. It's pure, it's always uniform, always efficient and it will do anything any other baking powder will do. It's priced fairly and honestly, too, 40c per pound tin.

We are also featuring this week "Beech Nut Food Products. See window display. We unhesitatingly recommend these goods. They are sure to please the most discriminating taste.
