# CHURCH NOTES

**RADIANT LIVING**

**His Additional Sufferings**

**By Rev. C. M. Griffeth**
**Pastor Calvary M. E. Church**
**Sudlersville**

When Jesus, under the lashings of the scouge, was forcing His weary nerve-wracked body along the narrow crowded Via Dolorosa toward the somber Golgotha, He fell, fainting under the crushing weight of that huge wooden cross.

The soldiers immediately seized upon a passing cyrenian, Simon by name, and compelled him to assist Jesus in bearing the cross to the place where He was to die.

In that dramatic spectacle of another assisting Christ to bear His cross, was enacted that mystic truth to which St. Paul gives expression when he wrote to the Colossians: 'Now I rejoice in my sufferings for your sake and fill up on my part that which is lacking of the afflictions of Christ in my flesh for his body's sake, which is the Church.

In these words he brings to us an amazing fact, a fact that perhaps you have never before considered, and that is this: that our sacrifices for Jesus are considered His sufferings—His additonal sufferings—in our bodies.

By such suffering the earnest Christian is brought into oneness with Christ. As Paul has expressed it in his Epistle to the Galatians: 'I have been crucified with Christ, and it is no longer I that live but Christ.'

Oh that these words, 'not I, but Christ,' might be as some sweet melody of a cathedral's silvery chimes, ringing forth from a spiritual height and floating down across the low valleys of materialism, wrapped in the darkness of unbelief! May their inspiring notes thrill the heart of him who is loyal to the Son of God, who unites his sufferings into a oneness with Christ!

**METHODIST EPISCOPAL CHURCH**
**Chestertown, Md.**
**Paul E. Reynolds, Pastor**

9:45 A. M.—Church School, J. S. Kreeger, Supt. The best way to grow in grace is to use every opportunity for development. The Church School is conducted for your benefit.

'Dad wore this one out looking out at the thermometer,' she replied.

Indianapolis News.

**Feathertouch is two Pens in one...I need them both!**

Platinum in the writing fluid channel of the Sheaffer Feathertouch point permits effortless two-way writing. When held normally this pen writes its user's normal script--when turned over it writes a thin, fine line particularly desirable for figure work, marginal notes, and other small writing. Everybody has use for both types of handwriting. Remember that all Sheaffer Feathertouch pens, either lever or visible-barrel type, are one-stroke vacuum-fillers--to keep in best writing condition they fill, empty with force, and clean with one stroke, and take in over 400% more fluid per stroke than multiple-stroke pens.

Sheaffer's are priced from $2.75 up
