CHESTERTOWN AND KENT County has lost a valuable citizen in the death of Mr. W. Bradford Copper. His life in this community has helped to make it a better place in which to live and his influence among his fellow man has been one of uplift. He was not content to enjoy that which others had made for him in community life, but was a leader in bettering the business, civic and social life of the community. He will be greatly missed, not only by his close friends but by the public at large and he may be remembered as one of Kent's outstanding citizens.
