DEMOCRATIC WOMEN TO MEET OCTOBER 8

STATE WIDE MEETING PLANNED IN BALTIMORE

The all-day session of the United Democratic Women's Clubs to be held at the Lord Baltimore Hotel in Baltimore Citq on October 8th will be one of the most interesting conferences ever held by the women of the State.

Mrs. Arthur J. White, of New Jersey, who will address the convention in the afternoon comes by her interest in politncs rightly, being the daughter of Judge Abram Elkus formerly Ambassador to Turkey. To charm, intelligence, and a friendly manner, she adds enthusiasm and humor. She is in charge of the reporter study plan for New Jersey. This plan was devised by the women's division of the Democratic National Committee for education in politics in governmental agencies. The women of Maryland will be given first hand information regarding the value of this plan and the manner in which it can be perfected in our State.

Miss Henrietta Addition, the other guest speaker before the day convention, is a noted crime prevention expert, having served as Deputy Commissioner in charge of the Crime Prevention Bureau of New York City for four years. She is a former professor of Bryn Mawr, served for a time as chief probation officer of the Juvenile Court of Philadelphia, and was recently one of two women to serve on Governor Lehman's State Crime Commissin. She is intensely interested in work among young people and greatly encouraged and enthusiastic over what this Administration is doing for youth.

If any of the women of our counties wish Miss Addition to remain over and visit their home community for the purpose of speaking before a local gathering of county women or local county workers, she will be prepared to do this. All of the women who will attend the convention on the 8th should come with this thought in mind and with her definite local plans to submit for Miss Addition's consideration.

The day will close with dinner at 6.30, a most interesting speaking program, and with dancing at ten o'clock. Mrs. Blair Bannister, sister of Senator Carter Glass of Virginia, writer and speaker, and now Assistant Treasurer of the United States, will be the guest speaker. The other speakers will be Mrs. Menefee, National Committeewoman, Senator Tydings, Senator Radcliffe, and the six Democratic Congressman. Mrs. Tydings is to be the guest of honor, and Mrs. Mary H. Duvall, Chairman of the Clubs, will preside.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.
