Weekly Broadcast Handled By Locals

Zebrowski, (Goop), center of the Washington College basket-ball team, featured the weekly broadcast of the Transcript, last Sunday. The Transcrpit is on the air every Sunday at 9.50 a. m. over station W F B R dial 1270. The news is usually announced by Mr. Kennard a former Kent Countian now connected with W F B R.

Last Sunday for the first time the broadcast was handled by a member of the Transcript staff. Zebrowski's talk on the Washington College basket-ball season was the feature of the broadcast.

Reports of the broadcast have come from all parts of the county as well as Baltimore and Philadelphia which encourages us as to the number of people listening in and the value of having some local organization featured.

SPEAKING OF RACKETS

Recently some stir was created by a lady who attempted to sell "Go to Church" stamps because sixty cents of the dollar was to go out of town. It would be a wonderful blessing if so much good could come at so little cost, but let us be sure we are not straining at the gnat and swallowing the camel. If we are going to speak of rackets and do anything about them, why not consider such major ones as the beer and liquor interests, the tobacco interests, the gambling dens, carnivals, circus, moving picture, and etc. All of these are preying on the public and taking a large profit out of the community and leaving us much worse for having been. Let us be fair and if we condemn any, condemn all. Now would be a good time for us to get together and clean house, but let's start with the big fellow first, somebody our size.

Ill In Wilmington

Mr. Hyland Copper, formerly of Chestertown and now residing in Wilmington is seriously ill in that city according to reports received this week. Mr. Copper is a brother of Mrs. Joseph Walters.

WHY TAKE CHANCES

Most people are very particular as to who cleans, oils and repairs their $25.00 watch and only skilled men with proper equipment are permitted to handle it.

Shouldn't the same be true of your automobile worth hundreds of dollars. Let only skilled men with proper equipment and who use approved products handle your car.
