**Champions of Maryland.** — Andrew Woodall, of Kent, a student of Mt. St. Mary's College, writes the News that Mt. St. Mary's College has shown great spirit in this year's basket ball season. She has played 16 games this season and has been defeated in two of them. The Naval Academy and by Gettysburg. She closed her schedule by an easy victory over Ursinus College and winning the Maryland State Championship by defeating Johns Hopkins University.

Captain Bogle has shown lots of life in his last appearance on the M. S. M. basket ball floor. He will be graduated this year and will be succeeded by Edward Costello, Georgia. He also has shown lots of life in the games in which he played this season. The following teams were defeated: Md. School for Deaf, Blue Ridge College, Penn State Forestry, Baltimore All Collegians, Loyola College, Franklin and Marshall, St. John's College (two games), Davis and Elkins, George Washington University, Washington College, Johns Hopkins University, Ursinus College.

### A LEARNED DEBATE

Friday evening last the first debate under the direction of the Extension Work of the State College was held at Chestertown High School. It was a splendid affair managed by Prof. Creasy for Dr. Richardson, of the Maryland College. The subject was "Resolved, That strikes are not justifiable in settling labor disputes." The affirmative was well represented by Marvel Seney and George Waller of the senior class and Helen Simpers of the juniors; the negative was strongly defended by Elizabeth Battaile of the senior class, Katherine Elliott of the junior class, and Robert Cooper of the eighth grade.

Other numbers of the evening's entertainment were an instrumental duet by Misses Mary Covey and Elizabeth Battaile; a declamation by Miss Margaret Power; a declamation by Miss Alberta Jewell; quartette by Misses Woodall, Rouse, Covey and Parks; comedy by W. Russell McMenamin and selections by the Creasy quintette, etc.

**Frank Baker, the hard-hitting third** baseman of the Yankees, said Tuesday he was through with the New York team for all time, and hereafter would devote his time to his farm and to playing independent ball with the Upland (Pa.) team.

In 1915 Baker was with the Upland team and the following season the Yankee owners purchased him from Connie Mack for $37,500.

**Reliable Information**

All American women know of the great success of Lydia E. Pinkham's Vegetable Compound in restoring to health women who suffered from ailments peculiar to their sex, yet there are some who are skeptical and do not realize that all that is claimed for it is absolutely true—if they did, our laboratory would not be half large enough to supply the demand, though today it is the largest in the country used for the manufacture of one particular medicine.

**The Facts contained in the following two letters should prove of benefit to many women:**

Buffalo, N. Y.—"I suffered with organic inflammation and displacement. When lifting I had such pain and bearing down that I was not able to stand up, and it hurt me to walk or go up or down stairs. I was going to a doctor without any results and he said the safest thing would be to have an operation. I met a lady who told me she had three operations and was not well until she took Lydia E. Pinkham's Vegetable Compound.

I felt relief after taking two bottles of Vegetable Compound and I kept on with it until I was cured. I always use Lydia E. Pinkham's Liver Pills and they are fine. Everything used to turn sour on my stomach and the Liver Pills relieved that."—Mrs. A. Rogers, 593 Fargo Avenue, Buffalo, N. Y.

Sacramento, Calif.—"I had organic trouble and had such terrible pain and swelling in the lower part of my side that I could not stand on my feet or even let the bed clothes touch my side. I gave up my work thinking I would not be able to go back for months. My mother advised me to take Lydia E. Pinkham's Vegetable Compound as it had saved her life at one time, and it put me in a wonderful condition in a couple of weeks, so I can keep on working. I work in a department store and have to stand on my feet all day and I do not have any more pains. I surely recommend your Vegetable Compound to all my friends and you may use these facts as a testimonial."—Bertha J. Parker, 3320 M St., Sacramento, Calif.

## A FUNDAMENTAL FACT

WHEN A MAN STARTS a business he usually expects to make a living at it. If, after conducting the business as efficiently as conditions permit, he finds that he is losing money, there are only two things he can do: Raise his prices—or quit.

THIS FACT IS FUNDAMENTAL. And it applies to public-serving companies as well as to individuals. For example, if the telephone company—after conducting its affairs efficiently—finds its revenue insufficient to pay expenses and yield a fair profit, the telephone company suffers.

THE TELEPHONE COMPANY CANNOT SUSPEND OPERATIONS; THEREFORE, IT MUST APPEAL FOR MORE REVENUE.

WE BELIEVE THAT NO telephone subscriber wishes to feel that he is receiving service at a price so low that our company is not making a living, just as the intelligent citizen does not want the merchants with whom he deals to lose money on his purchases.

OUR APPEAL FOR HIGHER RATES, in other words, is based on the fundamental fact that to give good service we must have adequate revenues. In previous advertisements we have placed before you the financial condition of our business; we have stated the increased difficulties that we are meeting, and we now ask your consideration of the fundamental fact that even a public service corporation must make a living.

WE ARE MAKING THESE STATEMENTS in the public press in order that you may see for yourself that our request for increased revenue is based on sound business principles.
