THE SOCIAL WANDERER

DEAR ROAMER:

Homecoming Day at Washington College scream the headlines, and here it is, to-day. Always a joyous day for alumni and students as well, with a day's program crowded beyond measure. The unveiling of 2 tablets, the foot-ball game, dinners and a dance, ought certainly to keep the town and visiting alumni stepping every minute.

Mr. and Mrs. Thomas J. Davis and sons, of Salisbury, were the guests of the latter's father, Mr. and Mrs. Walter U. Lusby, the first of the week.

To-morrow is Hallowe'en! Have a nice week-end all ye revelers, but don't be too naughty or "the goblins will git ye if ye don't watch out." To make safe, you'll find me,

Yours with Jack O'Lantern,

ACTIVITIES AT THE LOCAL HI SCHOOL

By ROSALIE BONNETT

The first party of the year was held in the assembly of the Chestertown High School, Friday 22. Approximmately seventy-five students enjoyed a gala evening. After a strenuous evening of games, delicious refreshments were served. There was a sigh of distress from everyone when it had to break up at eleven o'clock.

Struggling and slowly accomplishing some plane geometry, the seniors are trying to complete the first part of Geometry Book One. Apparently the seniors aren't the only ones racking their brains for bits of mathematical knowledge as the juniors are quite fascinated in their work on "Special Products and Factoring." This class had better take it from someone who has had experience in the matter they had better keep up the good work for their next year's work in theorems and problems. In the fresman's General Mathematics the phase of banking has particularly interested them. We haven't seen the sophomores participating in very many activities lately. We all, however attribute this to their satisfying work in formulas.

The freshmen class finally have found some spare time to hold its annual class meeting. The following pupils were elected to their respective offices:

President—John Nelson.
Vice President—Rollison Baxter.
Secretary—Horace Needles.
Program Committee:—Frances Bennett, Jack Barnes, Mary Roe Groves, Marilyn Lancaster, Sam Hendrickson.

The field ball and soccer teams defeated Galena in an exciting game, the scores being 14-8 and 8-0 respectively. The goals of both games were exciting enough to keep everyone spellbound.

The lineup-ups were:

GIFT OF PAINTINGS FOR HODSON HALL

Valuable Colection Donated By Hodson Family

Washington College has just received an important gift of paintings, some of them of considerable value, presented to the College by Mrs. Clarence Hodson of East Orange, New Jersey, according to an announcement made this week by President Gilbert W. Mead of the Shore institution. The present gift, comprising twenty canvases, many of them landscapes, represents the work of leading artists of the late nineteenth century both American and European.

The paintings are a portion of the extensive private collection made during his lifetime by the late Colonel Clarence Hodson of East Orange, a member of the Board of Visitors and Governors of Washington College at the time of his death in 1928.

The paintings will be hung in Hodson Hall, the new student social center recently erected on the campus at a cost of $60,000, in memory of Colonel Hodson, by his family and the Trustees of his estate. In addition to the dining room, opened last year in Hodson Hall, a student Club Room is now being completed and equipped, and the newly acquired art collection will be hung in the Club Room when it is opened for use next month.
