MILLINGTON, - - MARYLAND

I SUFFERED THREE YEARS

Finally was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Lowell, Mass.—"I was all run down and had an awful pain in my right side, was persistently constipated and had very dizzy spells. I suffered for three years and was perfectly miserable until a friend was telling me to try Lydia E. Pinkham's Vegetable Compound and I found it a wonderful medicine. I can now do twice as much work and I recommend the Vegetable Compound to other women. You can use these facts as a testimonial."—Mrs. M. THEALL BESSEY, 46 Chestnut St., Lowell, Mass.

Why women will continue to suffer so long is more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound!

For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

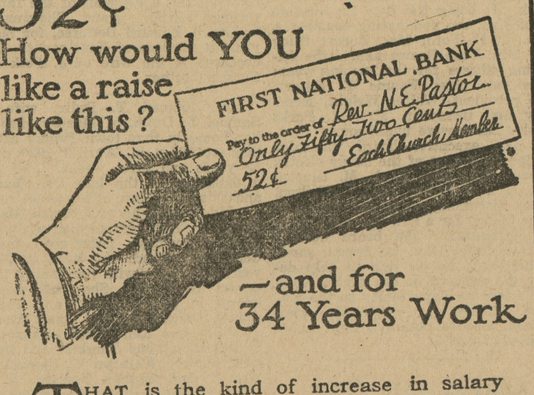
52¢ How would YOU like a raise like this?



—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more *per church member* than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than $20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do *you* contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.
