EXPENDITURES OF SALVATION ARMY SHOW $13,257,552

Commander Evangeline Booth Makes Public Annual Home Service Fund Accounting.

EXPANSION OF WORK IN ALL DEPARTMENTS NOTED

Popular Organization's Budget for 1920 Totals $10,000,000—Details of Figures for 1919 and 1920.

New York, April 12.—Expansion and advancement in every department of Salvation Army work as a result of the 1919 Home Service Fund are shown in a full accounting of that Fund just made public by Commander Evangeline Booth at the National Headquarters of the organization here. The financial statement, which is of January 31, 1920, shows total expenditures throughout the country up to and including that date of $13,257,552, with a remainder on hand for the four months to May 31, of $910,140.

Details of the statement disclose that the sum of $1,441,185 was expended up to January 31, for the maintenance of 939 corps and outposts in all parts of the United States. This item includes rentals of halls and their maintenance, salaries of 1,800 officers, the expenses of work for children and young people, the cost of all local relief work of whatever nature, and such incidental expenditures as postage, printing, stationery and the like.

In the period covered by the report the sum of $1,688,429 was expended by thirty-four provincial and divisional headquarters for fresh-air farms and camps, comprehensive relief work of a special nature amongst the poor, the sick and the distressed. These headquarters are charged with the oversight and direction of all corps and similar activities in their jurisdiction as well as the extension of Salvation Army effort to unoccupied fields and localities. Hence, this item includes also salaries of executive officers, of clerical and other employees, necessary traveling expenses, postage, the cost of advertising, publicity and a portion of the expenditures incidental to the organization of the financial campaigns.

Details of Expenditures.

Other items detailed in the report include the sum of $621,099, representing administrative and other expenses borne by National Headquarters in New York and Territorial Headquarters in Chicago; $187,309 representing the cost of operating and maintaining 25 rescue homes and maternity hospitals, a general hospital and one for children, 3 children's homes and 11 slum settlements and nurseries; and $400,000 apportioned according to the 1919 budget for the pension fund for aged or disabled officers.

Most significant, as indicating the remarkable advancement made by the Salvationists during the past year as a result of the 1919 Fund contributed by the country, are the lifting of mortgages to the amount of $1,881,193 and the outlay of $7,038,834 for new buildings and additions, making a total of $8,919,528.

Hitherto demands upon the Salvation Army's efforts have been so much greater than its income that it has labored under a tremendous indebtedness, its officers have been reduced to part pay year after year, and the organization has been handicapped in its operations.

Not All Mortgages Liquidated.

Only a part of the mortgage indebtedness was paid off last year, however; the increased demands upon the Army everywhere in the country being so great that increased and new facilities for hospitals, rescue homes and other Army institutions called for the outlay of more than $7,000,000. Army officers hope that the response to the 1920 Home Service Appeal will be such as to permit of the wiping out of much of the remaining mortgage indebtedness, provide for the maintenance of the organization's established activities and make urgently needed extensions and development possible.

The 1919 balance sheet shows the following:

	Expenditure To Jan. 31.	Reserve To May 31.
For support of corps activities	$1,441,185.15	$447,235.48
Maintenance of 34 provincial & divisional hdqrs.	1,688,429.62	297,133.93
Maintenance of national & territorial hdqrs.	621,099.97	63,474.09
Maintenance of institutions for women and children	187,309.75	102,297.09
Pension fund	400,000.00	
Mortgages and properties	8,919,528.42	
Total expenditures for eight months	13,257,552.91	910,140.59
Reserve for four months	910,140.59	
Grand total (Amount contributed in 1919)	14,167,693.50	

The Army's 1920 budget, asking for $10,000,000, calls for $4,000,000 to carry on its evangelistic and relief work in 1,000 separate centers; $3,000,000 for relief work among the poor, sick and unfortunate, work for mothers and children, and other social work under provincial and divisional headquarters; $250,000 for the maintenance of national and territorial headquarters; $400,000 for rescue homes, nurseries, hospitals, slum posts and other institutions for women and children; $150,000 for the retired officers' pension fund, and $2,200,000 for the liquidation of mortgages and the acquiring of new properties made necessary by the Army's 1920 extension program.

INSTRUCTIONS TO VOTERS

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, and to the right thereof, in the blank space provided therefor, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by making likewise in the appropriate space a cross-mark (X) against the answer you desire to give.

If you wish to vote for some one whose name is not printed on the official ballot (you can write the name of such person in the blank space on the ballot) provided for that purpose and place the cross-mark opposite such name in the blank space provided therefor.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted, but in the counties of Anne Arundel, Calvert, Charles, Prince George's, St. Mary's, it is unlawful to take into the polling place any stencil, rules, measurer or any other mechanical device of any material or form as a means of aid, guide or assistance in marking your ballot. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and cannot again go behind the guard rail during the day.

In Baltimore City and all of the Counties of the State except Anne Arundel voting for more candidates than there are offices to fill only invalidates the vote for that particular group in which the mistake occurs, but in Anne Arundel the whole ballot will be rejected in such event.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his ballot must make affidavit to that effect if he desires assistance. The two polling clerks after such an affidavit has been made, can accompany him into the compartments and there mark his ballot as he instructs them, marking only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote; or place any distinguishing marks upon his ballot, or who shall make a false statement as to his inability to mark his ballot, or who shall interfere or attempt to interfere with any voter, when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has marked his ballot, shall be punished by a fine of not less than five ($5.00) dollars nor more than one hundred $100.00) dollars or by imprisonment in jail for a period of not exceeding sixty (60) days, or by both fine and imprisonment in the discretion of the Court.

The Supervisors of Elections for Kent county hereby give notice that the following are appointed Door and Rail Keepers to serve at the Election

By Order of Board,

C. FRANK CROW, Prest.
GEORGE R. RASIN,
WALTER S. TREW,
