THE SOCIAL WANDERER

DEAR ROAMER:

"Come, lads and lasses
The time it passes,
Step out with a royal air
Heigh-ho!
As all together in golden weather,
We merrily go to the fair,
Heigh-ho!"

Long ago when I used to sing this, I didn't realize how much joy some day I would have in going to a Fair. Well, you never know and here we are on our way, for the second or third time. So much to see, so much to do, once, simply won't suffice.

Following a three day round we have Sunday to rest before Monday night, when at the first of the series of lectures to be given by members of the Faculty of Washington College, we go to hear about the Magic of the Electric Eye. The Electric Eye will not find Chestertown asleep at any rate, although I could make use of it to scout some items of news for me.

Dr. Esther M. Dole attended recently Board meetings of the Maryland League of women voters and of the Daughters of the American Revolution, in Baltimore. She was also attended a session of the History Teachers of Maryland held in connection with the State Teachers Association and was present November 2 at the presentation of a memorial tablet placed in the Chapel at Doughregan Manor in memory of Charles Carroll, of Carrollton.

Rev. and Mrs. Harry Paff, were guests of honor at a bridge party and miscellaneous shower held at the home of Mr. and Mrs. Jesse Medders on Wednesday evening. The party was given by members of the choir of Emmanuel P. E. Church.

Word has been received by Dr. and Mrs. Frank B. Hines that their son, Mr. Frank Hines, Jr., who has been with the DuPont Company in Buenos Aires, S. A., for the past year, will be transferred to the States. Mr. Hines will arrive here shortly before Christmas.

Congratulations to Marian Grieb on all the honors received at the Harrisburg Horse Show, making her eligible to ride in the Madison Square Garden Show.

Another couple added to the young married set of Chestertown will be Lieut. and Mrs. Harry Deringer. Mrs. Deringer and little son, Hurtt, arrived yesterday from Florida, and will visit relatives until the completion of the restoration of their new home, the Dixon House.

This week-end Mr. and Mrs. H. Gilpin Brown, of Cynwyd, Pa., will bring as their guests, Mr. and Mrs. Eugene Boniwell. Mr. Ernest Strong will return with them Sunday, to spend next week as their guest. Mrs. Strong will join them later in the week and remain to attend the Penn-Michigan game next Saturday.

Mr. and Mrs. Roland Corey and little son, Reese, will spend this week-end in Carlisle, Pa., as guests of Mr. and Mrs. Frank Maslin. They will attend the Dickinson-Gettysburg game to-day.

Mrs. Lenoard De Merritt, of Baltimore, comes on Monday to spend several days as the guest of Mrs. H. Clay Brown.

Last week-end really turned out to be a very big one and the town was literally filled with visitors for the week-end. Here are a few that I can think of:

Mr. and Mrs. Cashell Nichols, of Clarksville, Md., were week end guests of Mr. and Mrs. Rolph Townshend.

Miss Mary Jean Strong, student at St. Mary's Seminary, spent the week end at the home of her parents, Mr. and Mrs. Lawrence P. Strong.

Mr. and Mrs. Charles Jarman, of Sudbrook Park, Baltimore, were guests of Mr. and Mrs. Harry S. Russell.

Mr. David Connelly, of Baltimore, visited Mr. and Mrs. Jack Stenger.

Mrs. G. Bates Chaires and daughter Mary Emma, of Oakland, Md., were week-end guests of Mr. and Mrs. Joseph B. Vinyard.

Mr. Ray Kirby, a student at Perkiomen School, of Pottstown, Pa., Miss Irene Kirby, Mr. Wallace Ross, Mr. and Mrs. Denver Benton, and daughter Peggy, of Baltimore, were week end guests of Mr. and Mrs. James W. Kirby.

Prof. Louis J. Thibodeau, of Waterbury, Conn., and Miss Betty Thibodeau, of Baltimore, were guests over the week end at the home of Mr. L. Bates Russell.

Mr. and Mrs. Louis Knox and Miss Ann Smith, of Baltimore, were guests of Mr. and Mrs. James Smith for the week-end.

Miss Kathryn Strong, who is attending business school in Baltimore, visited her father, Mr. W. R. Strong, here over the week end.

Mr. and Mrs. C. Harry Schreiber, and children, of Columbus, Ohio, were week-end guests at the home of the former's parents, Mr. and Mrs. C. C. Schreiber.

Billy Deringer, who now has a position in Baltimore, was another Home Comer, visiting his parents, Mr. and Mrs. Duncan Deringer.

Mrs. Emerson R. Russell and infant daughter, Nancy Emerson, have returned to their home here from Baltimore.

Mr. and Mrs. Clyde Bethard and sons, Bobby and Billy, have returned from a trip to Washington and Harrisburg, Va., motoring via the Sky Line Drive.

Mr. and Mrs. John B. DeCoursey have returned to their home, Kinsale, in Quaker Neck, after spending several days in Philadelphia.

Mr. and Mrs. W. Clarke Grieb were guests at Haddon Hall, Atlantic City, N. J., this week.

Mr. and Mrs. Joseph Clark, of the Vernon Apartments, are spending tw weeks in Florida.

Little Tommy Davis, of Salisbury, is visiting his grandfather, Mr. Walter U. Lusby. While his parents, Mr. and Mrs. Thomas Davis and their son, Walter, are visiting in New York and Wilmington.

"Our Garden Club" will hold its November meeting on Tuesday, at the home of Mrs. John Speicher. As this meeting is for election of officers, only active members will be present.

Mr. and Mrs. Edward Jenkins, of College Park, were over-night guests on Tuesday of Mrs. D. W. Ingersoll. Mr. Jenkins, known to 4-H Club members as "Daddy Jenks" is well known here.

Miss Eleanor Knotts, of New Haven Conn., is visiting her parents, Mr. and and Mrs. H. D. Knotts on Washington Ave.

Mr. and Mrs. Roland Perry, of Chestertown, are receiving congratulations on the birth of a baby girl born yesterday at the Kent and Queen Anne's Hospital.

Mr. and Mrs. Robert L. Usilton have announced the marriage of their daughter, Anna Elizabeth, to Louis Edward Kendall, son of Mr. and Mrs. Elwood Kendall, of Hanesville, October 29, 1937. They were attended by Mr. and Mrs. Wroth Stavely of Lynch.

And now although:
"We have no money for ribbons bonny,
Our clothes are the worse for wear,
But little it matters, in silk or in tatters,
We merrily go to the fair."

Yours on the way,

THE WANDERER

FOOTBALL GAME HERE SATURDAY

Washington To Play Gallaudet

Washington College will play its second home football game of the season this afternoon, Gallaudet being the visitors. Washington is picked to win although anything can happen in a football game.

Lose To Mt. St. Mary's

The defeat by Mt. St. Mary's last Saturday was not disappointing to those who studied the strength of the two teams. Although the large score rolled up in the second half was disappointing it has the result of a stronger and heavier team wearing down a weaker one. Fans were, however, given a real treat of football in the first half at the end of which Washington lead 12 to 6. In the second half the Mounts put across four touchdowns to win 32 to 12.

Local Fishing Captains Honored

Captains Melvin Glenn and John Thomas, local fishing guides out of Rock Hall, were honored this week by the Maryland Sportsmen's Luncheon Club at a meeting at the Lord Baltimore Hotel. Each was presented with a large bronze tablet in recognition of their ability to locate the wary finy tribe.

The two captains were accompanied on the trip by Dr. W. H. Brinsfield who invited the club to attend the Fishing Fair at Rock Hall next September. Mr. John D. Steele promised a large turnout for the occasion.

ACTIVITIES AT THE LOCAL HI SCHOOL

By ROSALIE BONNETT

At the present, our most important activities are field-ball and soccer but we sorrowfully say that our scores of late haven't been as encouraging as they might be. Last Tuesday Chestertown High School was defeated by Rock Hall with a score 20-0.

Again C. H. S. has been defeated, but this time in soccer, and also by the Rock Hall team who proved victorious with a score of 2-0.

The Debate Club has recently formed and the officers were elected: President, Sarah Speicher; Secretary, Frances Kreeger.

It was voted upon that sophomores be admitted to the club. In the first meeting, Miss Richies, the sponser, explained the points of debating. No actual debate team has been selected, but a practice team composed of six boys and girls, are going to debate on the subject "Should There Be Interscholastic Atheletics." The teams are supposed to gather all the information they can on the subject, either for affirmative or negative side. We in our next meeting are going to have a practice debate.

If w should take a glance into the Knitting Club, activities period, we would see girls knitting skirts, sweaters, scarfs and many other articles. This club has been in progress about two weeks, and the members are advancing rapidly.

Entertainment is being linked with our school work, last week a motion picture was given in the assembly room. The pictures featured were "The Flaming Signal" a picture of seven reels.

"Mickey (Himself) McGuire" who always brings a laugh and, "Our Animal Friends", has proved very interesting and instructive because it informed us about many peculiarities of animals.
