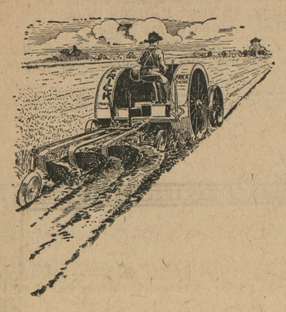
FRICK TRACTOR

THE TRACTOR OF NO REGRETS



LONG periods of service only prove to a "Frick" owner the wisdom of his choice.

We know not of a single case where a man that has once used a "Frick" Tractor has changed to another make.

Ask the man who owns one.

Cut your wheat, thresh your wheat, plow and order your land for wheat, with a "Frick" Tractor.

EASTERN SHORE AUTO LINE

Regular Passenger Service Between Elkton And Easton Seems Probable.

The Easton, Md., Star Democrat says: If the present plans are carried out the Easton Shore will shortly take on a new lease of life. A number of capitalists, so it is stated, are planning to put in operation all over the Shore a bus line for the accommodation of freight and passengers. The identity of the promoters is kept a secret, but a representative has been on the Shore for some time looking after the project. When seen in Easton recently he refused to give any particulars other than to say the enterprise would soon be put into operation.

According to the plans outlined by this agent, it will be possible to travel from Elkton to any part of the Eastern Shore at a good rate of speed and at frequent intervals. These capitalists backing the movement say that the people here have long realized the poor service of railroads, and if this part of the State is to be developed better means of transportation must be furnished.

Large trucks carrying over twenty passengers and traveling at the rate of 35 miles an hour will be put into operation, and will visit all the towns on the Eastern Shore, both in Delaware and Virginia. It is said that people will be able to travel from here to Cambridge, Salisbury, Centreville, or any other town on the Shore in much better time than now. A schedule will be drawn calling for a number of cars leaving Easton each day for points north and south.

This plan of travel has been found to work well in the West, where it has produced much activity. Heretofore, the representative said, the progressive people of this part of the State have been going away to other localities, and while the Eastern Shore, in his opinion, is one of the most desirable spots on the face of the earth there is a lethargy here that needs quickening.

With proper transportation facilities both for freight and passengers it is predicted that business opportunities will be greatly increased. The agent stated that in every town he has visited the banks and business men were willing to take stock in the project, but none is offered for sale. The backers will control the new company and finance it themselves.

ADD SPICE TO REPORTS

A county agent in one of the Eastern States believes in diversified activities. He reports as follows for one month's work:

"Burnt up ninety gallons of gasoline, five quarts of oil, had six punctures and one blow out. Trailer broke away and upset load; pig fell out of the car and was caught with difficulty, afterwards jumped from sty and was run over by auto. Buried three pigs with all the profits and lost $28 besides. Tore best trousers getting over pasture fence; broke watch crystal loading corn planter; but outside a few minor troubles had a very satisfactory month's work."

TOO WEAK TO DO ANYTHING

A Serious Feminine Illness Remedied By Lydia E. Pinkham's Vegetable Compound.

Casco, Wis.—"After the birth of each of my children I had displacement and was so weak I couldn't do anything. I found a book about Lydia E. Pinkham's Vegetable Compound so thought I would try it, and after taking it I soon felt better. That was fifteen years ago and I have felt well ever since except that I had a slight attack of the trouble some time ago and took some more of your Compound and was soon all right again. I always recommend your medicine and you may publish my testimonial for the benefit of other women."—Mrs. Jules Bero, Jr., R. 1, Box 99, Casco, Wis.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills in this country, and thousands of voluntary testimonials prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

KENT NEWS $1.50 PER YEAR.

By Chestertown Electric Light & Power Company

in accordance with Public Service Commission. Order No. 246 of April 19th. 1911, described in circular No. 8 A.

Rate Schedule P. S. C. No. 7.

SCHEDULE MADE AND FILED

The following rates are to become effective on and after July 1st, 1920. Prices are on a monthly basis unless otherwise stated.

Town Lighting—32 c. p. street lamps, $18.00 per year each.

Lighting Rates. — (Applicable to all classes of lighting customers except for town lighting.

For the first 30 K. W. H. per month 19 cents per K. W. H.

For the next 30 K. W. H. per month 18 cents per K. W. H.

For all in excess of 60 K. W. H. per month 17 cents per K. W. H.

Discount—1 cent per K. W. H. provided bill is paid within ten (10) days after its date of presentation.

Minimum Bill—$1.00 per month.

Power Service—For 110 and 220 volt 60 cycle two phase service and for 110 volt single phase 60 cycle service of one (1) horse power or less.

For the first 100 K. W. H. per month 11 cents per K. W. H.

For the next 100 K. W. H. per month 10 cents per K. W. H.

For the next 100 K. W. H. per month 9 cents per K. W. H.

For the next 100 K. W. H. per month 8 cents per K. W. H.

For the next 100 K. W. H. per month 7 cents per K. W. H.

For all in excess of 500 K. W. H. per month 6 cents per K. W. H.

Discount—1 cent per K. W. H. provided bill is paid within ten (10) days after its date of presentation.

Minimum Bill—$1.00 per month per connected horse power. For minimum bill purpose no connected power load shall be considered to be less than one horse power.

The power rate is not applicable to toasters, irons, heaters, vacuum sweepers, washing machines, etc. These and similar appliances will be supplied thru the lighting meters without additional minimum charge.

The power rate is not applicable to customers having a total connected motor load of less than two horse power.

Starting compensators with overload and low voltage protection must be used with all motors larger than five (5) horse power.

Motors or other apparatus which, in the opinion of the Company, tend to make the Company's lighting service unsatisfactory can be disconnected at the option of the Company on ten (10) days notice in writing.

The power factor of all motors of five (5) horse power or more and of inductive apparatus requiring more than 5 K. V. A. must be at least 80 per cent when operating at or near their rated load.

General Rules Applicable To All Classes of Service

The company reserves the right to demand the deposit with the Company of a sufficient amount of money to cover the cost of the meter and its installation. This amount to be credited to the customer and applied to his monthly bills. If the customer ceases to use the service before this credit has balanced his monthly bills the balance standing to hi scredit shall become the property of the Company.

The Company also reserves the right to demand from those customers who do not own the premises to which their service is supplied, a sufficient amount to cover the Company's estimate of the customers average monthly bills. This amount to be deposited with the Company and held by it until the service is discontinued and the final bill paid after which the deposit will be returned.

When the original service connection to a customer has been disconnected or discontinued at the customers request, or for non-payment of bills, or at the request of the Board of Fire Underwriters a reconnection charge of $1.50 will be made and must be paid before the service connection is completed.

Bills are due and payable on the date of presentation. The customer whose bill remains unpaid for twenty or more days after the date of presentation of the bill may be notified by the company that service will be discontinued in ten days if the bill is not paid within that time. Service may then be discontinued if the bill remains unpaid at the expiration of the period stated in the notice.

Wheels on a track—the Cletrac way—take less power

Cletrac TANK-TYPE TRACTOR

The Cletrac Way Makes Farming Pay

The Cletrac replaces four to eight work animals, saves their care and feed bills—does more kinds of work, more days a year.

It speeds up every farm job—plowing, harrowing, fitting, harvesting, threshing, silo filling, road building, shelling corn and sawing wood. Puts more acres under cultivation and helps produce bigger crops.

Nothing stops the Cletrac. It travels easily on its broad metal tracks over soft, rough or hilly ground—*goes anywhere, any time.* Burns kerosene or distillate perfectly—and a boy can run it.

Come in and look the Cletrac over. See for yourself its sturdy construction. Let us show you what it will do for you on your own farm.
