DODGE BROTHERS ROADSTER

Its economy is practically expressed in its low gasoline consumption, its high tire mileage, and the infrequency of repairs.

It is further expressed in the durability of its finish, which seldom requires more than a thorough cleaning to bring its original lustre.

It will pay to visit us and examine this car.

When Physician meant "Physic Dispenser"

In Shakespeare's time if you were sick and went to a doctor, he did one of two things. He either drew blood from your veins or "physicked" you.

Physicians no longer practice bleeding. And the leaders of the profession are equally opposed to the indiscriminate use of laxatives and cathartic drugs. In fact, the habitual use of laxatives is now known to be one of the most fruitful causes of constipation.

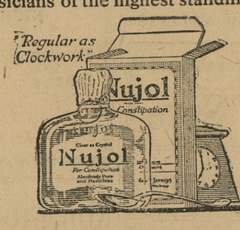
Physicians of the highest standing prescribe Nujol because it relieves constipation without any bad after-effects and without forming a habit.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, *it simply softens the food waste.* This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel movements at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.



Nujol is sold by all druggists in sealed bottles only, bearing Nujol trade mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet, "Thirty Feet of Danger".
