BAR WILSON'S NOMINEES

The Senate on Tuesday, by a vote of 36 to 35, Senator Norris (Rep.) of Nebraska, voting with the Democrats, refused to refer the committees for action several thousand nominations by President Wilson, including postmasters, members of the Inter-State Commerce Commission, theShipping Board Federal Judges and Marshals and officers of the Army and Navy. Exceptions were made of nominations to the regular army of officers who passed recent examinations under the Reorganization bill which would lapse on March 4th, unless previously confirmed. These were permitted to be referred, Senator Fletcher had offered a resolution requiring the Post Office committee to consider and report out nominations of all ex-service men for postmasters. Senator Townshend, chairman of the committee, contended that all postoffice nominations should be considered together and none could easily be separated. He told the Democrats that they had no just cause to complain of the Republicans' view of the matter, as in 1913 the Democrats, who then had a majority, took a like course as to President Taft's nominations made on the eve of his retirement. After the close vote, the Republicans served notice that all nominations, other than those expected, would be held up until noon of March 4.

I AM THE AUTOMOBILE

Product of brain and brawn, I fill man's primary need for transportation.

I aid the progress of civilization by bringing men closer together.

I am the friend and the servant of mankind.

I am the companion of recreation and the helpmeet of work.

I render employment to millions. I speed production and the delivery of the world's goods.

I increase the value of property.

I place the country within reach of the city dweller, and bring the city to the doors of country folk.

To the farmer I have been a godsend. I save him time and labor. Through me he has improved his way of living.

I have brought the town close to him.

The manufacturer depends on me to carry merchandise from source to factory and on to the markets.

I proclaim the wares of the merchant. I swell his profits.

I serve the customer.

I am the feet of the salesman, bearing him to greater service. To more and greater riches.

I bring the physician in time to save the stricken. I keep his mind keen and his hand steady. I restore roses to the cheeks of pallor.

I serve the interests of all professions. I am the inspiration of art and of letters.

Man is indebted to me for the broadening influence of travel.

I provide comfort and protection on his way.

Woman realizes her independence through my offices.

To youth, I mean the wholesomeness of the great outdoors, the poetry of motion and the romance of changing scene. To age, I bring rejuvenation through diversions other than the hearthstone.

I attend man at his birth. Throughout the span of life I am the cradle, the saddle and the rocking chair.

I am the bearer to the final place of rest.

I am the new common carrier. I am the automobile. —Public Ledger.

RESOLUTIONS OF RESPECT

Fairlee Grange No. 249, realizing most deeply the great loss it has sustained in the death of our sister, Sarah C. Corey, desires to place on record this tribute of its appreciation of her work for the good of the order and her willing and efficient service whenever needed.

Resolved, That we recall with greatest pleasure the fine and noble qualities of our sister, both as a woman and a christian qualities that bound her friends in ties of strong and enduring affection.

The sudden passing from us of such a useful and beautiful life has cast a gloom of sorrow over the whole community. And it is

Resolved, That we extend our heart felt and fraternal sympathy to her sadly bereaved daughter and other members of her family in this hour of their great sorrow and request a copy of these resolutions be sent to the family and county papers, and that a page of the minutes be set apart on which to inscribe this memorial of our love and esteem.

TAKE PEP O MANGAN

Fortify Your System — Goo Blood Will Give You New Strength to Keep Well

If you feel the least bit run down, not necessarily sick, but tired and blue and sort of down and out, it shows plainly that your power of resistence is low.

It is dangerous to go around that way. You don't want to do it.

Make no mistake about it, when you feel yourself slipping into lazy habits, getting indifferent to the things you naturally like—no energy, no vigor, always tired—it is time to look out. It may not mean that you are sick or that you will be. But there are diseases that would have an easy time of it with your system when your blood has no fighting qualities.

You want to be well and keep well and feel strong. If you build up the quality of your blood by taking Pepto-Mangan you will be in trim to fight off winter ills. It has just the right ingredients to build your blood up with rich, red corpuscles.

Pepto-Mangan gives your blood the qualities it needs to pick you up and start you off on a healthy basis. You will notice the difference soon after you start taking it. You will have better color, better feeling, and more energy.

You can take it in liquid or liquid form as you prefer. Both have the same ingredients. But be sure you get the genuine Gude's Pepto-Mangan. Ask for it by that name—"Gude's Pepto-Mangan," and be sure the full name is on the package.

The Noblest Instrument Is An Organ

and it ought to be in every musical home, but space and cost sometimes prohibit the installation of a pipe organ. However, an

two manual reed organ, built on the exact principles and measurements of a pipe organ—and used in the studios of such organists as Gibson, Dethier and others—such an instrument closely approximates a pipe organ and has everywhere given great satisfaction. It can be built to the special specification of organist and to match the design of any room. Adapted for lodges. Call and hear it.

WHY DO THEY COME?

Why would they come here if it were not that my cut prices are lower than any other store in the county. There are other stores that are offering all kinds of inducements, but I can truthfully say that no store gives better value for every dollar taken in than I do. If you are a regular customer you know what I say is true. If you are not, ask any of our regular customers and you will be convinced of the fact.
