RADIANT LIVING

Thieves from Jericho

By Rev. C. M. Griffeth

Pastor Ridgely M. E. Church

Ridgely, Md.

What a tragedy happened to that man who "went down from Jerusalem to Jericho and fell among thieves"! "They stripped him of his raiment," Jesus tells us, "and wounded him, and left him half dead."

Are not Jesus' words descriptive of the tragedy that happens when a spiritual consecrated man of God slips away from his holy living and gradually sinks into a life of sinful, selfish living? Such a man truly leaves "Jerusalem" and "goes down to Jericho."

"Jerusalem", meaning "city of peace", sympolizes an unselfish life centered in a devout love for God, spiritual in character, moral in tone, and holy in atmosphere.

"Jericho", on the other hand, means "fragrance". It was a city of the valley, a place of palms, luxury, and voice. It symbolizes a godless life that exists only for sentuous pleasure.

One could not leave Jerusalom, situated as it was on a mountain's height, typical of a high spiritual life, and start for Jericho in the valley, without going "down". Any departure from Jerusalem is down.

And, along the way to Jericho, there lurk the seven thieves of Satan. There is, for instance, their chief, pompous Selflove. There is his buddy, wrinkled-face Money lust. There is nervous Funcraze, and old fat Easedesire. There is crafty Compromise, weak willed Neglect, and going Putitoff.

These thieves are ruthless villians. Any one of them is capable of stripping you of every spiritual garment that you possess. Any one of them can give you such a wound in the spirit as to incapacitate you for any further Christian service. Any one of them, by slaying your spiritual life, will leave you "half dead"—only the physical being left.

The best way to avoid the thieves along the Jericho road is to stay in Jerusalem.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use *Doan's Pills*. *Doan's* have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. *Ask your neighbor!*
