AUTO FATALTIES STILL PROVE TO BE STATE MENACE

Pedestrians In Counties Are Most Victims

The monthly report of the Safety Department of the Commissioner of Motor Vehicles discloses that the first nine (9) months of this year show (8) more deaths than the corresponding period of 1938, as the tabulation will indicate, an increase of 2.8 percent, however, there were (12) less deaths for the month of September, as compared with the same month of 1938, which is worthy of consideration.

	1938	1939
January	36	26
February	26	31
March	30	28
April	30	31
May	25	37
June	26	35
July	34	32
August	33	40
September	49	37
Total	289	297

There were (15) pdestrians killed during the month, five of which were children. Of this number (1) was playing in roadway, (2) stepping from in front or behind vehicle, (1) crossing at intersection, no signal, and (1) crossing not at intersection. Of the Adult pedestrians killed, (2) walking in road, left side against traffic, (5) walking in road, right side with traffic, (1) stepping from in front or behind vehicle, and (2) crossing not at intersection.

According to ou rsumary (15) or 41 per cent were pedestrians, (15) or 41 per cent were pasengers, (1) or 2 per cent was riding a bicycle, and (6) or 16 per cent were the operators themselves. Nearly all of the accidents occurred during clear weather on dry roads, and a majority on straight, con crete constructed roads. No day of the week was free from fata laccidents, with Sunday in the lead with (9). Passenger cars with apparently no defects head the list, with operating too fast for conditions by the operators, who in a majority were White, normal condition, between the ages (20-29) with (5) years or more experience, and a resident of the Counties of this State. There were (3) Hit and Run cases during the month of September.

Baltimore City is charged with (9) accidents resulting in (9) deaths, with (24) accidents resulting in (28) deaths in the Counties.

Paid for Monkey's Bite

Bitten by a monkey, Ruby Lee, 12 years old, of Islington, England, was awarded $75 damages against the owner of the animal.

STATE WIDE W C T U CONVENTION AT BETTERTON WED.

The State Convention of Woman's Christian Temperance Union will be held next week at Betterton, October 18, 19 and 20.

This is the third time the annual convention of the State W. C. T. U. has ever come to Kent County. In 1898 it met in Chestertown and again in 1933.

Next Wednesday afternoon the meetings will be for just the Official Board and the Executive Committee, but the banquet at 6.30 at Hotel Rigby will be open to the public providing they make reservations with the Proprietor, Mr. Walter Brice. An enjoyable program is arranged for that time. Greetings from the Church by the Rev. C. E. Davis, from the town by Mrs. Harvey B. Moore and Senator Arthur H. Brice and by others from various organizations. The musical program for that evening will be a treat to all. Miss Susan P. Davis of Baltimore will play on her theremin, and the Double Quartette of Chestertown will sing for us. The National Song, the State Song, and the County Song will be sung. Also the Young People will put on a program.

On Thursday, 19th, beginning at 9.15 all the sessions will be open to the public and will be held on the Methodist Church. The business part of the program will consist of brief reports and election of officers.

At 10.30 the President, Miss Bertha M. Tyson, will deliver her address which is always good.

The noontide devotional service will be conducted by the Honorary President, Mrs. Mary R. Haslup, who was President of this State organization for forty-two years from 1894 to 1936.

In the afternoon Mrs. Haslup will also give a brief talk on "Frances Willard —I Knew Her."

At 4 o'clock there will be a report of the Willard National Educational Fund by the Treasurer of that Fund, Miss Hood, and Mrs. Haslup, as Chairman for Maryland on that committee, will talk on "Maryland Does Things with This Fund." Do not miss this. It is important, getting information first hand.

Miss Davis will tell us of the Young People's Work.

The Children (the Loyal Temperance Legion) under the direction of Mrs. J. G. Shawbaker and Mrs. C. S. Church, State and County Directors respectively, will give a demonstration.

The Thank Offering, when special contributions for this work are given by individuals and organizations, is also the time for persons to become Life Members, and names of our departed to be given in as Memorial Members. There is no better way to cherish the memory of our loved ones than to help continue this work as a memorial to them.

The evening session will open at 7.45 with a song service conducted by our county W. C. T. U. musical Director, Mrs. J. W. Crouch.

The address of the evening will be made by Mrs. Mamie W. Colvin, vice president of the National W. C. T. U.

The Friday morning session will open at 9 o'clock with an interesting National Convention at Rochester, N. Y., and music and a talk by Dr. program including "Echoes from the P. B. Sisco.

At the close of the business session on Friday afternoon the convention will adjourn.

All meals will be served at Hotel Rigby and delegates entertained there with lodging, make reservations in time.

Let all Kent County citizens, whether members of the W. C. T. U. or not, hold up the Eastern Shore standard of hospitality by making the visitors feel welcome. Some will come from the mountains of Western Maryland.

These empty fruit jars should be filled with apple sauce now.

We have plenty of drops, 2nd grade and cull apples well suited for sauce.

Better apples of the Stayman, Fallowater and Winesap variety for eating and keeping.

Lay in your winter supply now while apples are plentiful and cheap.
