The intramural activity program seems to be a great success. This week the boys are playing volleyball and the girls softball. Thus far 3A is leading, next comes 2C. There will be a party for the winning team. Last Friday night the victory party was held in favor of 4C which was enjoyed by all.

There was a P. T. A. meeting at the school the following officers were elected:

President, Mr. Rollison Baxter.
Vice-President, Mrs. R. Hudson.
Secretary, Mr. John W. Martin.
Treasurer, Mrs. Clinton Jones.

Mrs. Neal Truslow was elected as a delegate to the state convention which will be held in Chestertown. Try to encourage your parents to come to these meetings and make the P. T. A. a success.

The last fieldball and soccer game was played at Millington last Friday. After a hard game was played the girls lost 7 to 8, and the boys lost 4 to 2.

We'll be back next week, with more news from all corners of C. H. S.

Colored Intruder Held For Court

When Mr. L. Bates Russell came down stairs Sunday morning he found a colored man, Sam Hughes comfortably seated in the living room before the fire.

Sheriff Lee was called and Hughes was held for the April term of Court by Magistrate Melvin on a charge of breaking and entering.

Hughes was seen drunk on the streets of Chestertown during the night before the intrusion.

Soil Erosion Costly

It is estimated that about 2,000,000 acres of land have been abandoned in Maine during the last 50 years because of soil erosion.

U. S. ARMY UNIT ENCAMPED AT TOLCHESTER

Fort Hoyle Regulars Here For Maneuvers

A detachment of regular army troops from Fort Hoyle passed through Chestertown Thursday morning enroute to Tolchester. The unit included 14 trucks and a number of automobiles.

The moving of these various units to different locations for maneuvers is in line with regular Army training.

If the unit which passed through here Thursday was a hostile one Chestertown would certainly be in the hands of the enemy as no one knew of its coming until it was on the outskirts of the town and Mayor Wilmer and Sheriff Lee were asked to escort the unit through the town.

This request was a very courteous act on the part of the army officials and avoided any criticism that might have arose as to the use of the streets of the town for the travel of such a large procession of trucks and automobiles.
