WORN OUT AFTER SHE COOKED A MEAL

Took Lydia E. Pinkham's Vegetable Compound—Read the Result

Cincinnati, Ohio.—"I suffered for a year with nervous troubles and irregularities before I took Lydia E. Pinkham's Vegetable Compound. My back pained all the time and I was unfit for housework. I was worn out if I cooked a meal, and was unable to do my washing. My girl friends and my sister told me if I would take your Vegetable Compound and Liver Pills I would be relieved. After taking the first bottle I felt better, and neglected it awhile, but found I could not do my work until I was stronger. So I took the Vegetable Compound again and now I am the mother of a 19 months old boy. He is fat and healthy and I am sure I could never have carried him if it had not been for your Vegetable Compound. I recommend your medicine to all women although I am young to be advising some one older."—Mrs. CHRIST. PETROFF, 318 W. Liberty St., Cincinnati, Ohio.

Lydia E. Pinkham's Vegetable Compound contains no harmful drugs and can be taken in safety by any woman.

Indignation Meeting Held In Fairlee

At an indignation meeting held Aug. 10, 1922, twenty-one women, representing Fairlee community, protested bitterly against the injustice of the contemplated removal of a teacher from Fairlee school, and the following resolutions were adopted:

Whereas, the loss of a teacher will work a hardship in many families, necessitating two teams to go in different directions, and

Whereas, some children are too small to go alone, and parents not always able to take them, and.

Whereas, some children are from farms as far away as Tolchester, and other remote localities, and it would be utterly impossible for these children to attend a school in Chestertown which would mean a drive of 20 to 30 miles each way.

Therefore, Be It Resolved—

1. That we desire our children to have an education and to be fitted for their Life Work and to have the opportunity of attending a school within easy reach, not adding a burden to parent or child.

2. Resolved, that the children, who must by the removal of a teacher, attend Chestertown school, are those who need the influence and guidance of a mother, and that such a removal would be a calamity and work disaster to all concerned.

3. Resolved, that by such a removal the door of opportunity would be closed forever to many of our boys and girls whose parents, although deeply interested and concerned about their children, would be unable to send them such a distance as Chestertown.

4. Resolved, that it would be a backward step, be robbing our children of their birthright and would be a serious thrust at "Child Welfare."

5. Resolved, That we earnestly petition the County Commissioners to use their influence to retain our teacher, as we understand from good authority, they can, if they will.

6. Resolved, That a copy of these resolutions be sent to the County Commissioners. Signed:

VOTERS OF SIXTH DISTRICT.

IN MEMORIAM

In loving remembrance of a dear husband and father, Edward Clothier, who departed this life Aug. 17, 1916.

Rest Dear Husband, thy work is o'er,
Thy willing hands will toil no more,
No more thy loving eyes will weep;
Rest, Dear Husband, rest and sleep.
Dearest Husband how I miss you,
Since from this earth you passed away,
My heart is still aching for you,
As I think of you today.
By His Loving Wife.

Father, Dear, O how we miss you,
How we wish you were here,
Through these long years of sorrow,
How we miss Father Dear.
Not complaining that God took you
To His heavenly throne,
Cause I know, Dear Father,
We will meet you some day above.
By His Loving Daughter Katie.

The golden gates were opened, the gentle voice said, come
And with farewell unspoken he calmly answered, Home.
His Loving Daughter Mae.

In loving remembrance of a dear daughter and sister, Clara Clothier, who died June 10, 1922.

Give her eternal rest, O Lord, and may thy glorius light shine on her forever.
Her Loving Mother.

Dear sister was a darling,
Pride of all our hearts and home,
But the angels came and whispered,
Dear sister do come home.
By Her sisters Katies and Mae.

In loving remembrance of our dear mother, Emma E. Fowler.

At the bedside of our dear mother,
Night by night and day by day,
We watched her loving hands grow thinner
And saw her slowly fade away.
Her eyes are closed that looked on life,
Through mists of pain and tears;
But God has opened them above
To smile through endless years.
The dear one now is sleeping,
No care is on her brow;
Oh, blame us not for weeping,
For we have no mother now.
By her son, Edward, and Wife.

In sad but loving remembrance of our beloved mother, Emma E. Fowler, who departed this life, just one month ago, July 19, 1922.

Dear is the grave where my dear mother is laid,
Sweet is the memory which shall never fade,
Heart of my life is buried deep
Under the sod where my dear mother sleeps.
Rest on dear mother, thy labor is o'er,
Thy willing hands will toil no more,
A faithful mother both true and kind,
A truer mother you could not find.
You wore a crown of patience
Through the years you struggled on,
Those hands that rest forever
Are the hands that made our home.
By daughter and son Tom.

Exide BATTERIES

Why We Sell Exide Batteries

Sound business reasons, every one of them.

1. The first commercially successful starting and lighting battery was built by The Electric Storage Battery Company.
2. The Electric Storage Battery Company is the oldest and largest manufacturer of storage batteries in the world.
3. Exide Service means a definite battery service—repairs, overhauling and attention by a group of battery experts.
4. We can sell an Exide Battery, secure in the belief that you will get all the battery value possible and more than you ordinarily would get.

No matter what make of battery you have now in your car, if it needs attention, we shall be glad to give it expert, unprejudiced attention so that it will last as long as possible until you are ready to replace it with an Exide, *the long-life battery.*

Each Unit Generously Large

NASH

One of the important reasons why Nash cars stand up so solidly under hardest usage is the added strength and size of each unit.

For instance, the dimensions of the frame are greater; the crankshaft is heavier; the bearings larger; the shafts thicker; the motor produces more power, and there is even more time and labor spent in the process of production to build the car to the high Nash standard.

Fours and Sixes
Prices range from $965 to $2390, f. o. b. factory
