...red is Mr. C. D. Hicks with a coon which he claims is the gran... of them all.

...oon was caught by Mr. Hicks, ...ward Skirven, Mr. Lester ...and Mr. Clayton Hicks on the ...farm near Butlertown Tues... ...ght. When a two hour effort ...s him failed, a gun was used ...s he was in a deep hollow in a ...e, the party had to return home, and make an 8 ft. hook in order to pull him out of the tree.

This coon although, in very poor winter condition, weighed 15 pounds, was 15 inches high and measured 36 inches from tip to tip. Mr. Hicks estimated that if in a fat condition, the coon would have weighed almost 25 pounds. His age was estimated at between 20 and 25 years, judging from the worn condition of his teeth. The pack, headed by Drum, treed the coon after a chase of anly 500 feet.
