GOOD EGG RECORD FOR THE YEAR 1923

Wm. H. Glenn, of Broad Neck, has for several years kept an accurate record of the eggs his hens have been laying. In 1922 his hens made a good showing and last year, 1923, he increased the number to 35 laying hens and here is the record for the whole year 1923:

January	390
February	342
March	603
April	462
May	467
June	400
July	492
August	421
September	346
October	209
November	93
December	204
Total	4429

Mr. Glenn also raised 150 young chicks in 1923. This year he has increased his number of hens to 65 but this first month of January the hens are not laying much.

OBITUARY

In loving remembrance of my dear sister, Ella Legg, who died January 22nd, 1923.

Farewell dear sister you are at rest
And will forever be,
You cannot come to us on earth,
But we can go to thee.
My sister has crossed the river,
She is with her Saviour now,
He has laid aside life's burdens
And a crown is on her head.
Farewell dear sister, a long farewell,
You have gone to heaven, farewell
to dwell,
You left us here with aching hearts,
For, oh, it was so hard to part.

By her brother and wife, Charles and Elsie Campbell.

Another Reason Why—

The Buick Third Member

Buick cars drive through a third member, not the springs. The springs only support the body and assure easy riding. A Buick rear spring accidently broken cannot misalign the axle and prevent driving the car. The Buick axle remains in fixed position. Consequently the adjustment of Buick four-wheel brakes is not affected by the deflection of the springs.

HAVE YOU
Heard the Latest

Have you heard any of the comments all around the county about the new doctor in Chestertown? According to folks who have been to him he cures 95 per cent of all human ailments by working on the spine and spinal nerves.

Some say he practices the greatest Health System known. Others call him a fake. Those who praise him have tried him. Or some of their friends have told them of the remarkable results they obtained. Those who "knock" are the kind who knock everything new without trying it. Some day some one will knock at their bed room door, and walk in to find them "knocking" their heads against the bedstead, because they had nothing else to knock. While yet a comparatively new method in this part of the country, Chiropractic is growing by leaps and bounds and winning public confidence and favor.

If you are sick of being sick and want to get well, call on Dr. Dill, the Chiropractor, in Chestertown. You will find him honest and reliable, and anxious to rid you of your troubles. He uses no medicine, pills, massage or electricity. He traces 95 per cent of all human ailments to the spine, the great switchboard of the body.

ORDER OF PUBLICATION

Samuel F. Robinson, Annie E. Robinson
versus
Eva Lynch, Eunice DeMott, Charles Storke, Raymond Storke, Wilbur Storke.

In the Circuit Court for Kent County
In Equity. No. 2231.

The object of the Bill in the above entitled case is to procure a Decree for the sale of the real estate of which Isaiah Coleman died, seized and possessed, intestate, for the purpose of clearing the title thereto.

The Bill states:

1. That Isaiah Coleman died, seized and possessed of a certain lot of land and premises in Chestertown, Kent County, Maryland, on the Northwest side of Front street between Cannon street and the Pennsylvania Railroad property described in deed from Frederick Nichols, Jr., and wife to Isaiah Coleman dated March 15th, 1886, recorded S. B. No. 7, folios 645.

2. That the said Isaiah Coleman left surviving him as his only heirs at law, the following: Susanna Biggers, John T. Coleman, William H. Coleman, James U. Coleman, Bessie Coleman and Katie Coleman.

3. That on the 10th day of May, 1919, the above named heirs, together with Laura S. Robinson (a child of Katie Coleman, now deceased) undertook to convey to William F. Malin the above mentioned property in fee simple. See deed A. P. R. No, 8, folio 145.

4. That on August 11th, 1921, the said William F. Malin undertook to convey the aforesaid property to the Complainants in this case in fee simple. See deed R. R. A. No, 2, folio 157.

5. That by virtue of the above conveyances the Complainants acquired a five-sixth interest in and to said property, and the remaining one-sixth interest is owned by the said Defendants.

6. That the Defendants Eunice DeMott, Charles Storke and Raymond Storke are non-residents of the State of Maryland, and Eva Lynch and Wilbur Storke are residents of Baltimore City, Maryland, and all are adults.

7. That the said real estate is not susceptible of partition among the parties entitled thereto without material loss and injury, and that in order to make division of said interests, it will be necessary that said real estate be sold and the proceeds thereof divided amongst the parties according to their several interests.

And whereupon, since the filing of the Bill in this case your Orators have been informed and verily believe that the said Eva Lynch and Wilbur Storke are no longer residing in Baltimore City but are non-residents of the State of Maryland, and their present whereabouts is unknown to your Irators.

And whereupon, on January 10th, 1924, a Petition and Order of Court for Order of Publication against Eva Lynch and Wilbur Storke was filed.

It is thereupon this 10th day of January A. D. 1924, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiffs by causing a copy of this order to be inserted in some newspaper published in said Kent County once in each of four successive weeks before the 11th day of February next, giving notice to the said Eva Lynch and Wilbur Storke, non-resident defendants, warning them to appear in this Court in person, or by Solicitor on or before the 25th day of February next, to show cause, if any they have, why a Decree ought not to be passed as prayed.
