The Citizens Bank
OF CHESTERTOWN, MARYLAND.

TO THE PUBLIC:

On December 31st, 1923, and on November 7th, 1923, the National Government called for a statement from all National Banks. On the same date the State of Maryland called for statements from all State Banks.

On Nov. 7, 1923, The Citizens Bank Showed Total Assets $219,746.18

On Dec. 31, 1923, The Citizens Bank Showed Total Assets $225,724.23

An examination of all the statements of State and National Banks in Kent County will show that the Citizens Bank of Chestertown is the only Bank which showed larger assets on December 31st, 1923, than on November 7th, 1923.

There was no money borrowed by this Bank in either statement which would have swollen its total assets. Examine the statements of all the Banks and then bear same in mind.

WE WANT YOU TO WATCH THIS BANK GROW

We are proud of the fact that we have so organized and placed this Bank in such a position that its roots are deep and the Bank has grown from nothing, on September 4th, 1922, to total assets of $225,724.23 on December 31st, 1923. We invite your deposits. In spite of criticism and profits of evil omen, our capital stock and surplus represent CASH MONEY. If we have any bad debts we do not know it. In three years we expect to be the largest Bank in Kent County.

We invite you to become a depositor. Remember that this is the ONLY BANK WHICH PAYS 4½% INTEREST ON SAVINGS DEPOSITS. There is a reason for our growth and in the future there will be more reasons. THEREFORE, WATCH US GROW.

8,000 ACRES OF TOMATOES

Eight thousand acres of tomates sold under one head in 1924 is the aim of the Four County Tomato Pool. Kent county, Queen Anne's, Caroline and Dorchester will have this number of acres enrolled before the end of February.

It is remarkable that within three weeks four Eastern Shore counties would have massed sufficient farmer organization to definitely put across a deal of the size of the tomato situation at its present stage. In Kent alone, the tomato yield in 1923 was over one million baskets. In Dorchester county, tomato growers lead Maryland in tomato production.

Queen Anne's and Caroline rank tomatoes as chief among their farm products. The State of Maryland, not many years ago, produced almost exactly one-third of the total tomato pack in the United States. From these figures, it is thought that the farmers deserve due credit for their efforts in the organization of a big portion of the area which controlls one-third tomato production of the country. On this basis, a grower is deemed unwise by those in charge to remain outside the pool organization.

IN MEMORIAM

In loving remembrance of my dear father, George M. Jones, who departed this life one year ago Feb. 22, 1923.

One year has passed dear father
since you were called away,
How well I do remember that sad
and weary day,
You suffered much, you murmered
not, I watched you day by day,
I cried and prayed that your dear
life would not be taken away.
I am lonely father without you, lonely and oh so sad at heart
You were always my joy and sunshine, why is it that we had to part.
The month of February is here,
To me the saddest of the year,
For it was on a February day
That my dear father was called away
Loving daughter, Florence.

In sad and loving remembrance of our dear father, Wm. B. Plummer who died on December 27, 1923.

Dear father, you were called away so suddenly—
Not time to say goodbye;
You only left us for a while,
In strangers' hands to die.
Had we been with you at the last,
And held your dying hand,
And heard the last sigh from your heart
We would not feel so bad.
We did not see you die;
We do not know the pains you bore,
We only know you passed away,
And never said goodbye.
Gone in the best of your days,
Blighted in manhood's bloom—
Gone from the hearts that loved you,
To sleep in the silent tomb.
By his loving son and daughter,
1t* Leonard and Elsie Plummer.

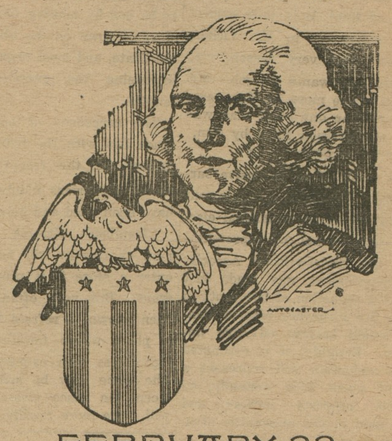
MONEY TO LOAN

Money to loan on real estate mortgages. JOHN D. URIE, Attorney. m31

WE think of WASHINGTON now as our victorious general and statesman. But victory and glory came to him only at the end of fighting, enduring and in resisting discouragement. Reverses, retreats and failures had no effect upon him. They only inspired him to greater efforts—and he won.

HIS BIRTHDAY



FEBRUARY 22

Does the little demon of discouragement whisper in your ear? Does he try to tell you that your courage is gone? Well, that little thought is the worst enemy of success. If such thoughts have been bothering you—stop and study Washington. Read again the story of his life.

If you are in the ranks of those determined to win, you will be pleasingly surprised in the many ways we can serve you—if you'll make this bank "your bank."
