THE SOCIAL WANDERER

Dear Roamer

Last Saturday seemed like midsummer, when parties are galore and we dash from one right on to another. Everyone was so happy to be out and really doing things once more. The Perkins party for the Cookes, the Kelseys dinner for Mr. and Mrs. Cox, of Easton, and the Country Club dance were all a huge success. The dance, incidentally, was one of the best in ages, with a good crowd attending and everybody in the spirit of the occasion.

In the afternoon, Miss Mary Lil Knotts was hostess at a tea and shower in honor of Miss Priscilla Grainger. On Sunday, Miss Grainger and her mother went to Baltimore, where they were guests of Mrs. John Clendaniel. On Tuesday, Miss Grainger was the guest of honor at a tea and linen shower given by Mrs. Clendaniel. They returned to Chestertown on Wednesday.

On Tuesday, Mrs. Frank Goodwin was hostess at a large luncheon-bridge which was held at the Sophie Fisher Inn.

Yesterday, Friday, Mrs. Morton Coale entertained at the third of a series of luncheons followed by bridge at her home on Southeast Creek.

Mr. and Mrs. Dorsey Hines have returned from a visit to Baltimore the early part of the week, accompanied by Mrs. W. D. Hines. Mrs. Hines remained as their guest until to-day, when she will go to "The Maples" to visit her sisters, the Misses Wilkins, until Monday, before returning to Baltimore.

Mr. James Woodall, of Georgetown, Md., still remains at the University Hospital, Baltimore. Though greatly improved, the date for his return home has not been decided. Mr. and Mrs. Ray Dennett, of Cambridge, Mass., and Miss Justine Woodall, who teaches in Wilmington, have been guests of Mrs. Woodall for the past ten days.

Mr. and Mrs. Philip van der Goes of Lord's Gift Farm, Rock Hall, are receiving congratulations upon the birth of a son born at Riverside Infirmary, Charleston, S. C. Mrs. van der Goes has been a guest of her parents, Commander and Mrs. Hugh Branham, who are stationed there, for the past two weeks. Both Mrs. van der Goes and the baby are doing well.

Mr. and Mrs. Philip G. Wilmer will be guests at luncheon to-morrow of Dr. and Mrs. Hall Pleasants at their home in Baltimore.

Miss Betty Beck, with a group of sorority sisters, left on Wednesday for a motor trip to Williamsburg, Va., where they will remain over the week-end.

Mrs. Frank Hines will be the guest of her sister, Mrs. J. L. Springer in Baltimore, over the week-end, remaining there until Tuesday.

The April meeting of "Our Garden Club" will be held on Tuesday at 2 o'clock, at the home of Mrs. Claude Truslow. At this time, each member is asked to bring a miniature exhibit, not exceeding 4 inches in height. A prize will be awarded for the best. Mr. Harry B. Cannon will be the guest speaker, his topic being "Plant Chemistry."

Mr. Pete Eton and Dr. Hugh Robinson of Warren, Pa., were guests for a few days this week of Mr. and Mrs. Franklin H. Beck.

Mrs. Omar D. Crothers, of Baltimore, is a guest of her mother, Mrs. Harry Jefferson. Mr. Crothers will join his wife over the week-end.

Mrs. J. Elliott Gilpin, of Baltimore, was a guest of Mrs. H. Clay Brown several days this week.

Mrs. H. H. Klinefelter has returned to her home here after a visit of two weeks in Baltimore.

Miss Fannie Hartman is a guest of her niece, Mrs. R. Beasley in Washington, Miss Hartman accompanied Mrs. Beasley home following the latter's visit here with her mother, Mrs. Ivors Leonard.

Mr. Joseph H. Laird, of Harvard University, is visiting his grandmother Mrs. Ivors Leonard.

Two more engagements are announced this week which along with the many others will probably make every day in June a bride's day.

Mrs. George R. Jones, of Galena, Md., announces the engagement of her daughter, Miss Florence Olivia Jones, to Mr. John Major Slack, of Newark, Del.

Miss Jones is the daughter of the late Dr. George R. Jones, of Galena, No date has been set for the wedding.

Mr. and Mrs. George N. Cooper, of Chestertown, have announced the engagement of their daughter, Miss Margaret Ford Cooper, to Mr. William Howard Henderson, son of Mr. and Mrs. James Henderson, of Woodbine, Md. The wedding ceremony will take place in Chestertown in June. Miss Cooper is a graduate of Washington College, and at present is a member of the faculty of the Harrington, Del., high school. Mr. Henderson, a graduate of the University of Maryland, is instructor of agriculture at the Greensboro, Md., high school.

So with the showers of April, the flowers of May, and the brides of June, as the subject of the picture, I remain,

Yours in the background,

The Wanderer

WEDDINGS

Sutton—Orrell

Miss Eunice H. Sutton, daughter of Mr. and Mrs. Clifton C. Sutton, of Delaware City, Del., and Mr. J. Kirkman Orrell, son of Mr. and Mrs. J. K. Orrell of Odessa, Del., were married on Saturday evening, March 16 at Elkton, Md.

Miss Margaret A. Sutton sister the the bride and Mr. Alfred Newkirk, of Claymont were their attendants.

The couple will make their home in Middletown, Del., where the groom is employed by the Diamond Ice Company.

Parks—Byrd

Wesley Chapel, one of the very fine old Churches in Kent County, was the scene of a simple and lovely wedding Saturday afternoon when Miss Mildred Parks, the beautiful and accomplished daughter of Mr. and Mrs. Noah J. Parks, of Parksley, Va., became the bride of Mr. J. C. Byrd, Jr., the son of Rev. Dr. and Mrs. J. C. Byrd. The beautiful ritual of the former Methodist Protestant Church was used in the ceremony as Wesley Chapel, of which Dr. Byrd is the Minister, was formerly a Methodist Protestant organization, and the bride's family were very prominent members of the old denomination.

The bride was attended by Miss Rebecca Parsons and Miss Mary Hill, of Rock Hall, and Miss Bertie Davis, of Parksley, all of whom were gowned in becoming afternoon dresses in harmony with the bride's dress of dusty rose and matching accessories. Mr. Byrd was accompanied by Mr. Burgess Tucker and Mr. J. W. Scoon, Jr., of Rock Hall, and Mr. Paul Twyford, of Parksley.

Mrs. Byrd graduated from the Parksley High School in 1935, the Selbyville, Del., High School in 1936, and attended Western Maryland College, majoring in Home Economics, and Norfolk Business College, studying Secretarial Science. Mr. Byrd graduated from West Nottingham Academy in 1936, being awarded the Best All-Around Athlete Cup and five letters in three major sports. He has studied at Western Maryland, likewise, where he was again a star athlete. In Seattle, Wash., he attended Griffin-Murphy Business College, studying Secretarial Science, and The Cornich School where he majored in Commercial Art under the famous Walter Reese. Mrs. Byrd is a member of Gamma Theta Sorority while Alpha Gamma Tau is the fraternity of Mr. Byrd.

They will reside in Rock Hall where Mr. Byrd represents on insurance agency.

Sauerkraut History

Sauerkraut was introduced and popularized in this country by German immigrants, and of course the name is German, but there is evidence to show that it may not have originated in Germany. There is no definite information as to when or where the idea occurred to shred cabbage and leave it to ferment in brine made from salt and its own juice. One writer traces it to Asia, showing how the Tartars first passed on a sauerkraut recipe to the Slavic peoples of eastern Europe, who in turn gave it to the ancient Germans. There is evidence also that this food has been made in Alsace and in Holland from very early times.

Number Please

Amsterdam, Holland, has a restaurant famous for its beefsteaks and still more famous for the fact that each one sold is numbered. The numbering began when the restaurant opened in 1870 and visitors today find that their beefsteak is recorded on a check with a number more than 4,000,000.

Arriving in Ireland

An Irishman recently found fault with Stevenson's famous line to the effect that "it is better to travel hopefully than to arrive." He says that to arrive in Ireland is better than to travel hopefully, and quoted this couplet: "There's no land anywhere that men love every bit, Except old Ireland and the blue sky over it."

Oldest Company

At Falun in Sweden is the oldest commercial company in the world. It has owned a mine there for 700 years and extracted from it over half a million tons of copper, more than 15 tons of silver and a ton of gold.
