SHO'MEN SPORTS

With

EDDIE OHLER

The Blue Hens of the University of Delaware come to town this afternoon to meet the Sho'men nine in what should be one of the best games of the current diamond season. Last year the boys from Delaware lost twice to the Maroons.

"Lefty" Copple will probably get the nod from the pitching assignment with Harold Rayne and "Long-John" Selby in reserve. The locals should look better than they did in their initial Wednesday. Coach Tom Kibler expects his charges to have one of the season's toughest assignments today.

"Mike" Kardash and Jim Stevens will return to Malone, New York this summer to play ball. With them this year will be "Long-John" Selby, who signed last week. Ball up Malone way is plenty fast, being at least a grade higher than the Eastern Shore League.

Aided by the return of a near-veteran aggregation, Gettysburg's baseball team will attempt to improve its last year's record of three wins and eight losses.

With only four lettermen lost by graduation, Coach Ira Plank's worries will be limited to manning the inner-cordon and the pitching slib. Hamilton, Bratten and Showalter, who parolled the outer-garden last year, will attempt to retain their old positions. Wally Kane, Arentsville slugger, should win an outfield assignment.

Capable replacements must be found for the left side of the infield. The race for the hot-corner position will be wide open while the keystone combination will be chosen from Shaffer, Rog Smith, Boden, and Buyer. Simon will again cover first base.

Half of the battery will be easily picked from the veterans Reds Bender, Sandercock, Buyer, and Shoemaker. Lack of good pitching, which cost the Orange and Blue most of their games last year, may again prove to be the Bullets' nemesis. Ralph Cox turned in a commendable job of hurling last year and will be counted on again this season. The Sho'men meet the Battlefield Team on May 1 in Chestertown.

The track team traveled to Western Maryland yesterday in the first dual meet of the season. Results are unknown as we go to press.

Washington meets two teams this week: Loyola and West Chester Teachers. Tuesday the locals meet Loyola in Baltimore with "Long-John" Selby probably starting in the pitchers box. On the following day the Maroons meet West Chester on the home field. "Lefty" Copple will probably start against the Teachers.

Washington College opened their 1940 baseball season on Wednesday afternoon when the locals handed Hartwick College a 6-5 defeat. The Maroones collected 8 hits to the New Yorkers' 4. Ray Kirby and Jim Stevens both collected two hits for the locals.

In the first inning with a man on second and third, a Hartwick man singled to short left field and drove in two runs. Bill Benjamin, rookie, colected the first hit for the Sho'men.

The eighth inning saw the score tied up at 5 all. With one out Jim Stevens came to bat and got a three bagger into deep right field. Fetter flyed out, driving in Stevens with the winning run.

Three Maroon pitchers saw action. Copple started and was replaced by Rayne in the fourth who was replaced by Selby in the seventh. Hartwick got one hit from Copple, one from Rayne and two from Selby. Selby was credited with the win.

Hits made by Sho'men in the Hartwick game were: Kirby, 2; Stevens, 2; Benjamin, 1; Bremer, 1; Everett, 1; and Bush, 1.

Joe Bremmer, City College Catcher, took "Stud" Pfunds place behind the bat Wednesday and did a creditable job. Joe is a fighting ball player and did well in his first catching assignment for Tom Kibler.

The tennis team which opens its season next Tuesday against Loyola in Baltimore has not yet held a practice session. It looks like the racketeers will get their first practice against intercollegiate competition.

LUSSIERS SISTERS RETAIN RECORDS FOR SWIMMING

Competed In South Atlantic Meet Last Week

Misses Betty and Nita Lussier, of Rock Hall swam in the Indoor South Atlantics in Baltimore on Thursday and Saturday of last week.

They swam for the Knights rf Columbus team of Baltimore and with the help of Miss Russell won the Dr. Timanus trophy for high score in the women's events.

Betty retained her breaststroke title and Nita her backstroke title by winning in these events. They also won the 300 yd. medley relay, Betty swimming breaststroke, Miss Russell, backstroke and Nita the free style.

Nita surprised every-one by developing into a real treat in the free style. Both she and Betty were entered in the 220 yd. freestyle and 100 yd. free style for paints. But Nita almost took the 220 yd. race over Miss Chambers the present title holder, coming in a close second. Betty took third place in this same race. They repeated the same order in the 100 yd. free style. Nita taking second and Betty third. Nita intends doing some hard practice on the free style this summer and hopes to make a good showing in the out door meet this coming summer.

Both girls are swimming on Sunday in Baltimore in the meet between Brondwood A. C. of Philadelphia and the Batlimore girls.

MONUMENT FOR SHORE NAVAL HERO

Dedication At Berlin 20th

The first of a series of historical markers to be erected on the Shore by the Eastern Shore Society of Baltimore, will be dedicated at Berlin, Saturday afternoon, April 20th.

The giant boulder mounted on concrete, on the face of which is a bronze plaque, will be unveiled in the corporate limits of the city to mark the birthplace of Commodore Stephen Decatur, illustrious naval hero. He was born there January 5th, 1779.

The site of Decatur's birthplace has been deeded to the Eastern Shore Society by G. Hale Harrison.

Commodore Decatur first gained fame by his daring destruction of the frigate Philadelphia, which had been stranded on the shores of Tripoli and fallen into the hands of the Tripolitans. Decatur, with 81 men, slipped quietly alongside the Philadelphia in a native ketch he had renamed the Intrepid, boarded her and fired her. All the Americans escaped.

He was a hero of several other swashbuckling actions in the Tripolitan War. During the War of 1812, he fought a number of stirring battles. In one of them he captured the British frigate Macedonian.

He was killed in a duel at Bladensburg, Maryland, by Captain James Baren, whom, as a member of the court-martial, he had helped suspend from the service in 1808. The duel was not fought until 12 years later.

I PAY CASH

I will buy stamps on original envelopes as they passed through the mails between 1840 and 1865. Early envelopes are sometimes marked, "Paid 5 or 10 cents and especially during the Civil War. I am very anxious to buy these so marked envelopes. I buy unused United States and Confederate stamps issued before 1865. I pay spot cash by Money Order anywhere without unnecessary delay.

After 40 years in the ministry I am not in business from choice but circumstances. I ask no charity but a chance to do business. Send me your old envelopes for which I pay cash.
