Washington College meets Lebanon Valley today in the second home ball game of the season. Little is known of the strength of the Penna. boys but the locals showed definite improvement in their game against Loyola Tuesday.

With the West Chester game postponed because of wet grounds on Wednesday, Pitcher "Lefty" Copple, ace of the Washington mound staff, will porbably get hte nod. The game today (Saturday) will start at 2.30 p. m.

Washington's Tennis Team took a bad beating at the hands of Loyola's Racqueteers in Baltimore Tuesday when the local team lost every set. The local team had had only one days practice and was unaccustomed to the cement courts.

Behind the five hit pitching of Harold Payne, Washington defeated the Greyhounds of Loyola 9-1 in a game in Batlimore Tuesday afternoon. The game was called in the seventh because of rain. The locals colected 11 hits to the home teams 5.

Washington scored in the first, fifth, sixth, and seventh innings. The Greyhounds lone tally came in the seventh.

First time up to bat, Mike Kardash, Washington's "Half Pint" Shortstop, polled a long one for a home run. A little later in the game Kardash hit a three bagger. Fetter, Copple and Everett each collected two hits for four times at bat.

Rayne looked good in his first win of the season. Until the fifth inning, he held the Loyola team to two hits. Flynn was the losing pitcher.

The Sho'men shove off Wednesday morning for a two day trip into central Pennsylvania meeting Dickinson College at Carlisle on Wednesday and Lebanon Valley on Thursday. No sooner do they return than they meet the University of Maryland in Chestertown on Saturday afternoon. And the Maryland game is the one the locals have always wanted to win but never seemed to have the stuff. This year, more than ever, the boys up on the hill are hoping for and figuring on a victory.

The tennis team meets West Chester today, and unless the squad gets in more practice than they have been, the prospect of winning any of the April matches is slight. Not overburdened with material, Coach Winton Tolles has a tough assignment in trying to put a winning combination on the courts. With a few weeks practice under their belts, the squad should beat Mt. St. Mary's on May 4. Until then we don't hope for too much.

Last week's track meet with Western Maryland was called off due to rain. On Friday of next week, the local cinder trodders meet Blue Ridge in a dual meet. To our knowledge, this is the first year of intercollegiate track for Blue Ridge. For this reason they couldn't be expected to have too much. George Ekaitis' charges should easily take the first meet of the season.

April showers have been playing havoc with the spring sports schedule this past week. Two baseball games and a track meet were cut off the books as a result of the gentle April showers.

Real Jalopies

More than 1,800 different makes of automobiles have been manufactured in the United States. Ninety-nine were steam cars and 64 were electrics of which only a few are still being driven. Among the famous early makes were the steam Locomobile, the Winton, Haynes-Apperson, U. S. Long Distance, Elcar, Stevens-Duryea, Rambler, Columbia, E. M. F., Moyer and Empire.

Grade Crossings

There are 234,231 highway grade crossings the country over.

Oldest Toy

The doll is the oldest toy known and has been found in various forms among all nations and tribes from remote antiquity. In the British museum in London there is a collection of dolls, one of which is 4,000 years old, having been found in an Egyptian tomb. Dolls were also common in Greece and Rome. Recent scientific investigations seem to indicate that dolls were also used by some tribes in religious ceremonies.

ELECT DELEGATES TO CONVENTION OF W. C. T. U.

Still Pond-Betterton Branch Favor Local Option

The Still Pond-Betterton Women's Christian Temperance Union was entertained at the home of Mrs. James Curry on Tuesday afternoon, for its April meeting. Mrs. M. V. Turner and Mrs. Lewis Atwell were named delegates to the County convention which will be held in Chestertown Friday, April 26th.

It was voted to stand shoulder to shoulder with the Millington Union in its campaign to talk and work for local option in Kent County. Our present liquor traffic is creature of law. What law creates, law alone can kill and the only way to get rid of the liquor traffic is by law and this can only be done at the ballot box.

With this in view, letters were written from this union to the candidates for the senate and congress who are seeking the nomination at the primaries on May 6th. This letter asked each if he were elected would he support the dry issues that might come before him.

Three new members were received into the organization at this meeting.
