Chestertown and Kent County suffered a great loss yesterday in the death of Mr. Eben F. Perkins, prominent business man of this community. He was born and spent his entire life in Chestertown and was beloved by a host of friends. His keen interest in all community affairs and his kind and lovable disposition made him one of the outstanding citizens of this community. For many years he has efficiently managed the affairs of the Kent Mutual Fire Insurance Compnay as well as the treasuryship of Washington College.

—o—

As the time rapidly approaches for the registration of all men in this country between the ages of 21 and 35 inclusive for the purpose of military training and the call each month of National Guard units for intensive training, the affect of the war comes closer home and the sooner we realize it the better. The time has long since passed when a nation can live at peace by not being warlike as evidenced by the small peaceful countries of Europe. With war in Europe at its height and conditions in Asia rapidly becoming worse, our country is placed in the middle. It can be a safe middle only as long as we can maintain large armed forces and an efficient industrial organization so strong that the dogs of war will respect us through fear. The Axis powers in Europe and Japan in the Far East recognize only that "Might Makes Right" and until that idea is forever crushed we must meet might with might. Our tremendous preparedness program cannot succeed with fighting man-power alone but must include a coordination of all our resources which must include effort and sacrifice on the part of every man, woman and child as well as those men to be trained for military duty. It must, however, be remembered that our preparedness program is a peace time one designed to better assure peace. It is no time for undue alarm but a time when the men who are actually in military training should not have to bear the entire burden of scarifice. The first test of this will come on October 16th, which is National registration day for all men of a certain age group. In order to complete this registration in one day it will require considerable help from those not in this age group. Unpaid registration officials are needed, employers should not penalize employees who must take time off to register and when the time comes for the selection of those who will and who will not train it must be done honestly and without political or friendly favoritism. This will be the first test of the strength of the nation as to American ideals.

The accordion was invented in Vienna in 1829.

Beery Coming In Thundering Fast Action Thriller

"Wyoming," starring Wallace Beery in an action-packed out-door drama of the West, is the attraction coming on Monday, Tuesday and Wednesday Sept. 30th, Oct. 1st and 2nd to the New Lyceum Theatre with Beery in mingled thrills and comedy, as was the case in "Bad Man of Brimstone," another out-door adventure drama in which he starred.

Beery plays Reb Harkness, former train robber, who turns leader of forces of law and order in a pioneer Wyoming town, helps rout a band of cattle thieves, aids General Custer in his fight against the Indians, and stages a thrilling rescue of Ann Rutherford and Bobs Watson. Amid the thrills runs a comedy romance between Beery and Marjorie Main, playing the town's "lady blacksmith," which is one of the funniest episodes since "Min and Bill." The picture was filmed on location at Jackson Hole, Wyoming, amid the majestic Tetons, Richard Thorpe directed.

Players include Leo Carrillo, Lee Bowman, Paul Kelly, who plays General Custer, Joseph Calleia, Henry Travers, William Tannen, Stanley Fields, Sara Haden, Russell Simpson, Chief Thundercloud and others. Several hundred players appear in Indian fights, cattle raids and other exciting episodes.

Thirlls include the rescue of Miss Rutherford and Bobs Watson from an Indian attack by Custer's cavalry, the rounding up of a gang of desperadoes, a wild on a troop train and Beery's escape from jail. Comedy moments include Beery's courtship, including his serenade on a harmonica, episodes with Bobs Watson, and Beery's scenes with Leo Carillo. Beautiful scenery adds to the interest of the rapid-fire episodes.

For your protection EVERY ROCK OF AGES MEMORIAL BEARS THIS SEAL etched in the stone.

Most beautiful tribute to one departed is the offering that expects no reward save its own evidence of lasting worth. Whether simple or imposing in character, memorial problems of yours become ours from the day you consult us.
