## STUDENT EARNING MUCH FOR SELF-HELP

President Titsworth of Washington College, in a statement issued Friday, estimates that the amount of money earned by those students of the college who at odd times are working at different vocations in order to pay their way through college will be close to $5,000 this year.

The estimate is based upon non-college service at the institution and work in Chestertown. "It is a matter of interest," says Dr. Titsworth, "to recall some of the roles which students are at present filling—furnace caretakers, janitors, barbers, tailors, restauranteurs, clerks, secretaries, salesmen, waiters, student assistants, bread-wrappers, pianist and orchestra musicians, and the number of such jobholders is constantly on the increase.

"Another method of self-help offered at the college is the ability to secure money through loans from what is known as a student fund such as that established by the Daughters of the American Revolution available to girl students, the Sarepta E. Hartman Fund, available to communicants of the Protestant Episcopal Church, especially such students as are contemplating entering some form of church service, this fund having been established by Herbert T. Hartman, a friend of the college.

There is a third fund, anonymously donated, available for generally deserving girls and boys. From these funds students are permitted to borrow sufficient funds to assist in their education, with the agreement that the treasuries, of these funds will be reimbursed by the borrowers when opportunity affords.

President Titsworth is working upon plans to increase the means of student self-help at the college next year.

## WILD FLOWERS HISTORIC TREES

Through Mrs. Wm. G. Smyth Regent of the Old Kent Chapter Daughters of the American Revolution, has come to the schools of Kent County, Maryland, the request that is being made of all the schools throughout the United States by the National Committee on Conservation. The National Society, Daughters of the American Revolution, to co-operate in the nation-wide movement to protect many fast-disappearing wild flowers.

This movement, the writer believes has been brought about by the wasteful gathering of wild flowers by automobile tourists. The automobile has so facilitated travel, that thousands of people who before its general use were seldom able to go far from home now travel through the rural sections of our country and enjoy the beauties of the open fields. Many of them are not content, however, to leave the beauty of the wild flowers for others who pass their way to enjoy, but, overcome by a selfish desire to monopolize that part of our country's beauty, they pick the flowers in such quantities that there is great danger of some of our well known and most admired wild flowers becoming extinct.

To the Daughters of the American Revolution, all lovers of the wild astor, the golden rod, the lark spur the magnolia, the lupine, the field daisy with its open face full of sunshine, the ox-eye, keeping us ever mindful throughout the summer and fall of our State's color and if all other wild flowers should be most grateful for the initiation of the movement to protect them. Let's join in this movement, dear reader and enthusiastically urge all of our friends to adopt with us the following pledge that is being presented to school teachers and children thruout the length and breadth of our land:

"That the world may be more beautiful for all, I promise not to pluck flowers nor destroy plants in woods and fields where they are unprotected, except such as flourish abundantly or are in the nature of weeds, All my influence shall be used to protect wild flowers from destruction by others."

In addition to the protection of all species of wild flowers the D. A. R Association is interested in the preservation of trees of historical interest. If any reader knows of a tree in Kent county, Maryland, associated in any way with some incident in the history of our county, Mrs. Wm. G. Smyth, Chestertown, Maryland, will greatly appreciate his kindness in sending information regarding the same.

County Superintendent of Schools.

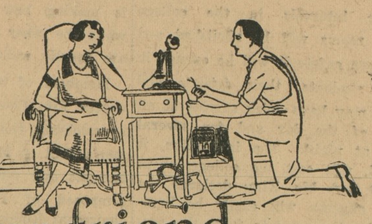
## HITS BULL'S EYE WHILE RIDING IN AUTOMOBILE

Present day officers must be trained to shoot from the wheel as well as from the hip.

Police Officer H. W. Holman, 1925 champion revolver shot of the Los Angeles Police department, recently demonstrated the absence of vibration in the modern automobile by drilling six bullets through the bull's eye of a regulation target while shooting from his car with the motor running at full throttle.

Officer Holman made perfect target groups while shooting from the front seat, while sitting astride the car hood and while using the front fender as a rest for his pistol arm.

The car used was a Chevrolet touring model which Officer Holman purchased recently. The unique target practice was held at the police revolver range in Griffith Park, Los Angeles. The marksman observed all of the rules governing regular target practice except that he shot from the automobile.



## Your friend the telephone!

YOU want the best telephone service you can get. We are just as anxious to give it to you. So that's one thing we have in common.

Most of the job of keeping the service up to scratch belongs to us. But there are some things you can do, and taking proper care of your telephone instrument is one of them.

Inside that telephone on your table are a lot of small parts—over two hundred of them. Every time you bang or drop the instrument the adjustment of these parts is made a little less true. Result—a noisy telephone; a cuff on the ear doesn't improve your hearing.

Any telephone is only as good as its cords—the wires which join it with the bell box. If these cords are often twisted and jerked or allowed to get wet, you may expect poor service—or no service at all.

Your telephone is as well made as the best brains and hands can make it. It is a friend, and deserves to be treated as such.

ORDER OF PUBLICATION

Albertha Catherine Veith by her father and next friend, Blaine G. Silvius
vs.
Charles H. Veith

In the Circuit Court for Kent Co
In Equity, No. 2393.

The object of the Bill filed in the above entitled case is to procure a decree for annullment of marriage.

The Bill states:

1. That the said Albertha Catherine Veith is a minor sixteen years of age having been born on May 17th, 1909, and resides with her parents, both of whom are living, in the City of Lancaster, State of Pennsylvania.

2. That the defendant, Charles H. Veith, is a minor 19 years of age having been born January 9th, 1906, and resided at No. 623 Poplar street, Lancaster, State of Pennsylvania, until he enlisted in the United States Army sometime during the year 1925.

3. That the said Albertha Catherine Veith, being a minor as aforesaid, was artfully constrained and fraudulently inveighed by the said Charles H. Veith, also a minor, into having a marriage ceremon[illegible] formed between herself and t[illegible] Charles H. Veith, at Chest[illegible] Kent county, aforesaid, on [illegible] 4th, 1926, by the Reverend T. [illegible] a Minister of the Gospel of th[illegible] odist Episcopal Church.

4. That the said Charles H. Veith and Albertha Catherine Veith, then Albertha Catherine Silvius, left the City of Lancaster, State of Pennsylvania, on the morning of January 4th, 1926, and by automobile drove to Elkton, Cecil county, Maryland, where the said Charles H. Veith applied to the Clerk of the Circuit Court for Cecil county, for a marriage license stating under oath that he was 20 years of age and that the said Albertha Catherine Silvius was 18 years of age and that even though the said Charles H. Veith perjured himself as aforesaid, H. Winfield Lewis, Clerk of the Circuit Court for Cecil county, refused to grant the marriage license thus requested; that the said Charles H. Veith then induced the said Albertha Catherine Veith to accompany him to Chestertown, Maryland, where he made application to the Clerk of the Circuit Court for Kent county, for a marriage license stating under oath that he was 21 years of age and that the said Albertha Catherine Silvius was 18 years of age, and upon said perjured testimony procured the issuing of a marriage license, and without the consent or knowledge of the parents of the said Albertha Catherine Silvius or either of them, the said marriage ceremony was performed.

5. That, at the time of the marriage as aforesaid, the said Charles H. Veith hda, through some fraudulent means or device, procured a leave of absence from the United States Army after serving as an enlisted man for a period of two days only and was then absent without leave from said army, the leave of absence having expired; he was arrested upo[illegible] from the United States Ar[illegible] thorities on Jan. 6th, 1926, a[illegible] back to Camp at Fort Tott[illegible] of New York, where he is [illegible] cated.

6. That upon the marriage of the said Albertha Catherine Silvius to the said Charles H. Veith in Chestertown, aforesaid, on January 4th 1926, they immediately drove back to Lancaster, Pennsylvania, by automobile, arriving at Lancaster about five o'clock in the afternoon, whereupon they went to the residence of a brother of the said Charles H. Veith at No. 623 Poplar Street, Lancaster, Pennsylvania, and the said Albertha Catherine Veith remained there until about eight or eight thirty p. m. on that evening when her father, Blaine G. Silvius, having ascertained her whereabouts, went to that address and took his daughter back to his home where she has remained ever since.

7. That the said Charles H. Veith and Albertha Catherine Silvius had been in each others company three times only prior to said marriage and on each of these occasions the said Chas. H. Veith begged and pled with the said Albertha Catherine Silvius to marry him so that he might thereby make application to be discharged from the Army stating that as a married man a discharge would automatically be granted and the said Albertha Catherine Silvius being of a nervous disposition and irresponsible mentally, due to nervous disorders, was thus fraudulently induced to consent to the marriage ceremony being performed.

8. That the said Albertha Catherine Veith has never shared the bed and board of the said Charles H. Veith; that there has never been cohabitation between them either prior to or subsequent to said marriage; that the said marriage has never in any way been consummated and the said Albertha Catherine Veith refuses to ratify said marriage ceremany by living with the said Charles H. Veith as his wife.

9. Your Oratrix is advised that it is within the power of this Honorable Court upon her petition a[illegible] dence supporting same to set [illegible] and annul said marriage cere[illegible]

It is thereupon, this 2nd d[illegible] February A. D. 1926, ordered [illegible] Circuit Court for Kent county, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent county, once in each of four successive weeks before the 8th day of March next, give notice to the said Charles H. Veith, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 23rd day of March next, to show cause, if any he has, why a decree ought not to be passed as prayed.
