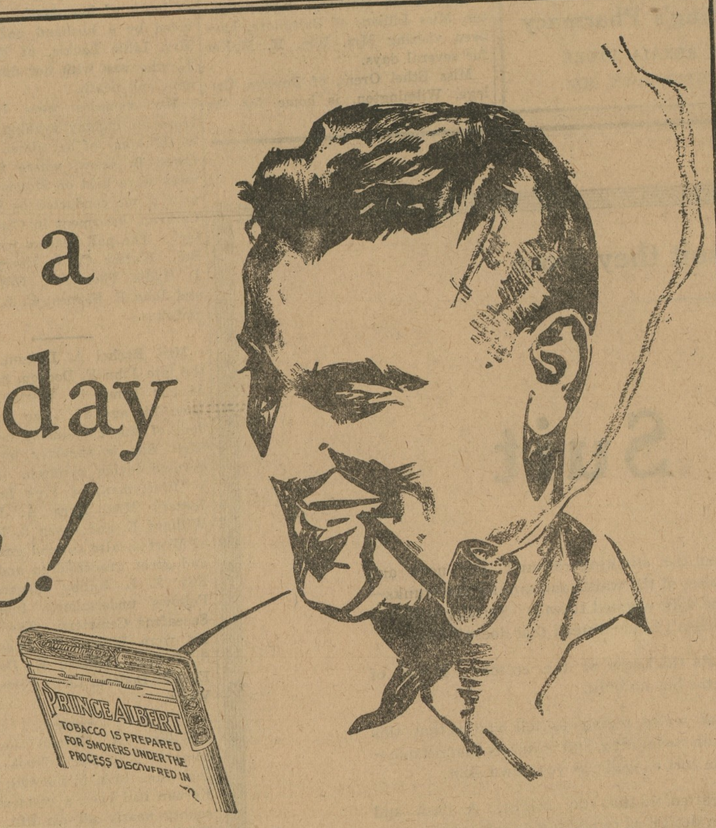
That was a red-letter day *for me!*



THE day I discovered the tidy red tin was a red-letter day for me. Up until that time, I was fairly well satisfied with my smoking tobacco. At the suggestion of a friend, I tried a pipe-load of his Prince Albert. More to please him than for any other reason.

Little did I realize then what a big favor he was doing me. I'll never forget that experience. Here I was, a seasoned smoker (as I thought), learning something new about tobacco. Why, that very first taste won me. Still, I wasn't hasty. I tried another load to be certain.

That settled it. I bought a tidy red tin of P. A. right then and there. That was a good many years ago, but P. A. is still ministering to my smoke-taste, repeating my early experience many times a day. P. A. is so cool and sweet and fragrant, you just never tire of it.

No matter how hard you hit it up, P. A. never backfires. It is uniformly mild and mellow. Never bothers your throat or tongue. It is so genuinely friendly that you just go to it from morning to midnight. Cool contentment in every perfect puff. Get some P. A. today.

*P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.*

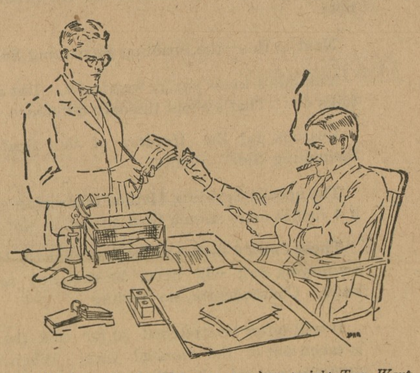
A TELEPHONE IN EVERY HOME



*"Looks as though we'd have to stay down tonight, Tom. Want to go out to dinner?"*
*"Sure. Just wait a minute till I call Hazel and tell her I won't be home."*

How about it, Dick? Did you call too, and save your wife annoyance and anxiety—*or isn't there a telephone in your home?*

The telephone, besides being an invaluable convenience, is a great promoter of domestic tranquility. Your wife will appreciate the feeling of being in touch with you at all times that the telephone will bring.

There's a class of telephone service to fit your pocketbook. *Ask our Business Office about it.*
