REPORT OF AUDITING COMMITTEE
FOR KENT COUNTY, MD.

CHESTERTOWN, MD., NOVEMBER 12th, 1926.

TO THE HONORABLE BOARD OF COUNTY COMMISSIONERS OF KENT COUNTY.

GENTLEMEN:

In compliance with an act of the General Assembly of Maryland, passed January 1904, and in harmony with our appointment as Auditors for Kent County, we have examined the Books, Accounts and Vouchers of the County Commissioners Office, the Board of Education, The County Treasurer Office, The Trustees of the Alms House and the Dog License Fund.

This audit deals chifly with the Levy of 1925-26, when a rate of $1. 7 on the $100.00 was declared for county purposes.

This report also gives the Source of Revenue for Kent County for 1926-27, as shown by the Books of the County Commissioners June 15th, 1926.

The Auditors submit the following recommendations—the same we submitted one year ago, and which have been plainly disregarded, and which we still contend would be to the best interest of the taxpayers of the County.

That no rubber stamps be used in signatures or countersignatures on checks or papers of any importance by any Public Official.

That the Clerk of the Circuit Court forward lists of the Court expenses to the County Commissioners and that orders be issued from that office and not paid by the Treasurer on orders direct from the Clerk of the Circuit Court.

That the County Treasurer shall, until he is relieved of all collections of taxes submit to the County Commissioners at each regular meeting a statement showing total amount of taxes collected and to be collected to date.

That the Farm containing about 320 acres and stock and implements owned and operated by the County in connection with the Alms House and valued at $10,000.00 and which has been a net loss to the tax payers of Kent County for the last thirteen years of $10,096.78 should be sold at public or private sale at once, as per bill passed by the General Assembly of Maryland, Acts of 1920, Chapter 417, Page 711, introduced by Senator William F. Russell, authorizing and empowering the sale of same.

The following letter was received by us, from the Trustees of the Alms House.

Chestertown, Md., Nov. 4, 1926.

Mr. Thomas W. Perkins, Chairman,
Auditing Committee.

Dear Sir:—

By a resolution of the Trustees of the Kent County Alms House I was directed to notify you; That the Trustees, with the consent of the Board of County Commissioners, will accept your offer of Ten Thousand dollars, net; for The Alms House Farm, excepting therefrom about Ten Acres of land surrounding the Alms House Buildings.

Yours very truly,
M. Wilbur Thomas, Secretary.

The following letter was our reply to the Trustees of Alms House letter, which appears above.

Chestertown, Md., Nov. 6th, 1926.

The Board of Trustees,
Alms House of Kent County,
Chestertown, Maryland.

Gentlemen:—

Your letter received yesterday which conveys the idea that this Committee, either individually or severally had offered your body Ten Thousand dollars ($10,000.00) or any other sum for the Alms House Farm is entirely erroneous.

One year ago we showed you with the figures from the records that the farm proposition had been a losing one for a long period of years and should be disposed of to the best bidder, and that we did then say the farm was worth about $10,000.00 in our judgement. We did advise you at that time (one year ago) that we knew a party who would give Ten Thousand dollars cash for it, but your Board saw proper to pass by the opportunity.

You know, of course that we are not in the realty business, and that our duty is to audit the financial books of the County, and that our recommendations were solely in the interest of the tax-payers.

It was no fault of ours that you could not see the advanced suggestion and after the lapse of a year we are still of the same opinion and we hope you will catch our view point and dispose of the farm which we feel is for the interest of the whole people.

Yours very truly,
Thomas W. Perkins,
J. Raymond Simpers,
J. Frank Wheatley,
Auditors.

We trust that the tax-payers of Kent County will give our report as a whole their consideration.

Respectfully,
J. Raymond Simpers,
Thomas W. Perkins,
J. Frank Wheatley,
County Auditors.
