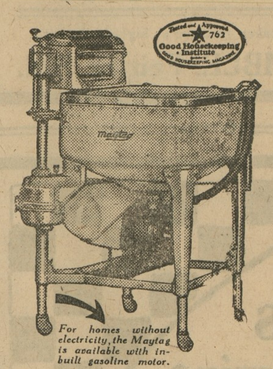
The New Maytag Sweeps the Country!



For homes without electricity, the Maytag is available with in-built gasoline motor.

FOR MANY months, more than one-third of all washers sold have been Maytags. Now the demand for New Maytags is **outstepping this previous world's record.**

Only by washing with the Maytag can you fully appreciate the advantages of its roomy, seamless, **cast-aluminum tub that will not rot, rust, warp, split nor corrode,** that empties itself and cleans itself.

Only by washing with a Maytag can you realize the convenience of the **new Soft-Roller Water Remover,** that hugs every fold and seam, removes both soap and water from every part of the garment, spares the buttons and leaves no hard-to-iron wrinkles.

The Maytag Roller Water Remover has an Automatic Feed Board—the height of safety and efficiency, and is one of the many features exclusively owned and controlled by Maytag.

A Phone Call Brings You One

The Maytag will do an average washing in an hour or so, and it is so thorough that no hand-rubbing is necessary even on collars, cuffs, wristbands or grimy overalls. Try a Maytag. If it doesn't sell itself—don't keep it!
