IV. Policies of Insurance, subscribed by this Company, shall not be assignable, without the consent of the Company, expressed by indorsement made thereon. Also, if there appear any fraud or false swearing, the claimant shall forfeit all claim by virtue of this policy.

Payment of losses shall be made in sixty days after the loss shall have been ascertained and proved, without any deduction whatever; and in case differences shall arise touching any loss or damage, it may be submitted to the judgment of arbitrators indifferently chosen, whose award in writing shall be binding on the parties.

XI. Insurance may be made for seven years, by paying the premium for six years; and for a less number of years than seven, a reasonable discount shall be allowed.

XII. Insurances once made, may be continued for such further terms as may be agreed on, the premium therefor being paid and endorsed on the policy or a receipt being given for the same; and they shall be considered as continued under the original representation, in so far as it may not be varied by a new representation in writing.

NEGRO FREDERICK;

Somtimes calls himself FREDERICK HALL a bright mulatto; straight and well made; 21 years old; 5 feet 7 or 8 inches high, with a short chub nose and so fair as to show freckles, he has no scars or marks of any kind that is recollected: his clothing when he left home, two months since, was home made cotton shirts, jacket and Pantaloons of cotton and yarn twilled, all white. Fifty Dollars Reward.

Ranaway from the subscriber on the 14th January, 1814, a negro man who calls himself ISAAC SMOTHERS, about 28 years of age, 5 feet 9 or 10 inches high, a little bow legged, and a little round shouldered; has a down look when spoken to—about nutmeg colour and handsome face. Had on when he went away, a light blue cotton and yarn short coat and pantaloons, black stockings and shoes, black hat, a dark great coat of flushing cloth, had a blue broad cloth coat half worn, and I expect has furnished himself with other clothing before this; can read and write a little, can do a little at rough carpentering and coopering, and can make coarse shes—worked last year in Chambers' rope walk, in the city of Washington; was then the property of Miss Elizabeth Birckhead, in the lower end of Anne Arundel county, near Herring Bay. As he is a very artful fellow he may endeavor to pass as a freeman, or has a forged pass, and it is probable he may yet be in the city of Washington or Georgetown, or gone to the state of Pennsylvania. Whoever will secure said fellow so that I get him again, shall receive the above reward, and all reasonable expences paid if brought home.

In Chancery, July 1, 1814.

James A. Buchanan,
vs.
Peter Bonnefil.

The object of the bill filed in this cause is to obtain a decree to record a deed from the defendant to the complainant.

The bill states that the defendant on the 20th of July, 1813, for a valuable consideration, executed a deed to the complainant for all that lot or parcel of ground, situate in the city of Baltimore on Fell's Point, and which is more particularly described in said deed. That the complainant omitted having the said deed recorded within the time prescribed by law, and said omission did not proceed from any fraudulent design or intention. The bill states that the defendant resides out of the state of Maryland.

It is thereupon adjudged and ordered, that the complainant by causing a copy of this order to be inserted once in each of three successive weeks in the American before the first day of August next, give notice to the absent defendant of the substance and object of the bill, that he may be warned to appear in this court in person or by a solicitor before the first day of December next, to shew cause if any he has, why a decree should not pass as prayed.

He is well known to most of the stage drivers, as the man with whom he lived did all the work for Mr. Crawford's tavern.——He went away the 5th July, and was apprehended at M'Coy's, between this and Baltimore, but escaped the same night; he was again seen and taken, at Gunpowder Ferry, between Baltimore and Susquehanna, about the last of October, but escaped again.
